

Job Title:	Senior Digital Platforms Officer	Work Location:	Greater Malé Region
Division:	Technology	Employment Type:	Full-time
Deadline:	9th June 2026, before 12:00 PM		

Key Responsibilities

- Administer and support the day-to-day operation, maintenance, and enhancement of the organization’s digital platforms, including websites, applications, and internal digital systems.
- Monitor digital platform performance, availability, security, and user experience, and coordinate the timely resolution of technical and operational issues.
- Coordinate with internal stakeholders, IT teams, vendors, and service providers to support the delivery of digital platform projects, upgrades, and maintenance activities.
- Assist in the implementation and monitoring of digital platform standards, policies, and procedures to ensure compliance with cybersecurity, data protection, and regulatory requirements.
- Monitor platform usage, analytics, and performance metrics, and prepare reports and recommendations to support continuous improvement and informed decision-making.
- Identify opportunities to improve platform functionality, automation, integration, and user experience, and support the implementation of approved enhancements.
- Perform any other duties as may be assigned by the Management.

Minimum Qualifications and Experience

- Bachelor’s Degree (MQA Level 7 or 8) in Digital Platforms, Information Systems, Data Science, Computer Science, Information Technology, or a related discipline, with a minimum one (1) to two (2) years of relevant professional experience;
OR
- Diploma (MQA Level 5 or 6) in Digital Platforms, Information Systems, Data Science, Computer Science, Information Technology, or a related discipline, with minimum three (3) to four (4) years of relevant professional experience.
- Demonstrated experience in supporting the management and operation of digital platforms, including system performance monitoring, vendor coordination, governance and compliance, data security, analytics reporting, and digital service improvement initiatives.

Salary & Benefits

- Remuneration between MVR 19,000 – MVR 20,200 based on qualifications and experience
- Other benefits governed by applicable laws and the Corporation’s policies
