

Job Title:	Content Creator (3 Positions)	Work Location:	Greater Malé Region
Division:	Resource	Employment Type:	Full-time
Deadline:	10th June 2026, before 12:00 PM		

Key Responsibilities

- Develop, create, and manage engaging digital and multimedia content across the Corporation's communication channels, including social media, websites, and corporate publications.
- Produce informative and accurate content to support public health awareness, pharmaceutical services, corporate initiatives, and stakeholder engagement activities.
- Collaborate with internal departments and subject matter experts to translate technical and healthcare-related information into accessible and audience-friendly content.
- Plan and execute content calendars to ensure consistent and timely delivery of communication campaigns and organizational updates.
- Capture, edit, and produce visual, video, and written content for corporate events, campaigns, and promotional activities.
- Monitor content performance and audience engagement metrics to evaluate effectiveness and identify opportunities for improvement.
- Ensure all content aligns with the Company's brand identity, communication standards, and applicable regulatory requirements.
- Perform any other duties as may be assigned by the Management.

Minimum Qualifications and Experience

- Bachelor's Degree (MQA Level 7 or 8) in Mass Communication, Media, Marketing, Digital Media, Journalism, Public Relations, or a related discipline, with one (1) to three (3) years of relevant experience in content creation, digital media, communications, or related fields;
OR
- Diploma (MQA Level 5 or 6) in Mass Communication, Media, Marketing, Digital Media, Journalism, Public Relations, or a related discipline, with four (4) to six (6) years of relevant experience.
- Demonstrated experience in content creation and digital communications, including producing written, visual, and multimedia content, managing social media platforms, content planning, and performance tracking for corporate communications and branding.

Salary & Benefits

- Remuneration between MVR 19,000 – MVR 20,200 based on qualifications and experience.
- Other benefits governed by applicable laws and the Corporation's policies.
