

Request for Expressions of Interest Provision of IT Consultancy Service - Individual

Date: 21 June 2026

1. Introduction

Maldives Fund Management Corporation Limited (MFMC) is a 100% state-owned company established by presidential decree in the Republic of Maldives. MFMC was formed with the objective of seeking capital market solutions for private sector development while creating opportunities for local and foreign investors to benefit from investment in various sectors of the Maldivian economy.

2. Scope of services required

- a) Develop applications as per MFMC's requirement.
- b) Digitalize the company's procedures and data management.
- c) Instill a state-of-the-art IT network for the daily operations of the company.
- d) Identify threat areas and implement patches on existing developments.

3. Duration of Consultancy

The duration will be for a period of 2 (two) years.

4. Reporting

The consultant will report to the head of IT department. In the absence of a designated IT Head, he/she will be reporting to the designated IT member from the company.

5. Remuneration

A competitive remuneration based on market range and qualifications will be paid to the consultant.

6. Qualifications and Experience

- a) Master's degree (MQA level 9) in software Engineering, Computer science or related field.
- b) Consulting, designing and development experience of 5 years.

7. Required Skills and Competencies

- Excellent experience in application development using latest development frameworks and coding languages.
- Ability to develop full stack applications for both web and mobile.
- Knowledge in cloud infrastructure development, virtualization, datacenter security, backup, and disaster recovery solution skills
- Good knowledge of information technology and cloud infrastructure.
- Knowledge of best practices related to secure development and security.
- Ability to keep up with trends and innovation of the industry.
- Recommend and implement strategies for continuous improvement.
- Excellent analytical and planning skills

- Strong time management and communication skills
- Ability to work effectively within a team or independently with minimum supervision.

8. Evaluation

The evaluation of the expressions of interest submitted by proponents will be based on the qualification and experience of the proponent along with the required skills and competencies.

Proponents that fulfill the qualification and experience requirement and have the required skills and competencies will be shortlisted to submit full proposals.

9. Submission

Proponents are required to submit their expressions of interest to procurement@mfmc.mv before 15:00 hrs on 25th June 2026.
