

Invitation for 2026 World Youth Wind Band Festival and Exchange Program

In October 2025, the China–U.S. Youth Marching Band Tour and Cultural Exchange Program, organized by the China Center for International People-to-People Exchange, attracted more than 5,000 young participants from China and the United States. The program was held in Beijing and Shenzhen, featuring a wide range of outstanding performances. Large-scale outdoor parade performances were also staged at the Great Wall of China in Beijing and Talent Park in Shenzhen.

The program welcomed nearly 300 American students, teachers, and parent representatives, who visited 15 well-known schools and participated in diverse, immersive campus exchange activities.
