Introduction and Background
The Government of the Republic of Maldives through the Ministry of Climate Change, Environment and Energy is preparing its second Biennial Transparency Report (BTR) with funding support received from the Global Environmental Facility (GEF), and with technical support from United Nations Environment Program (UN Environment) to meet the reporting requirements of the United Nations Framework Convention on Climate Change (UNFCCC) and the Paris Agreement while responding to national development goals. The Maldives' NDC includes adaptation in which the contributions have been organized under 10 thematic areas namely: enhancing agriculture and food security, infrastructure resilience, coastal protection, public health, enhancing water security, safeguarding coral reef and bio diversity, tourism, fisheries, and early warnings and systematic observation. In this regard, MoCCEE is seeking a qualified national consultant for the preparation of Adaptation assessments and reports that will be included as part of the of the BTR2 report of the Maldives. The deliverables of the consultants are expected to be developed as per the guidance and guidelines issues under the transparency framework and its reporting requirements and also best practices adhered to prepare the BTRs.
Objective
The primary objective of this task is to prepare the Adaptation Assessments and Reports that could contain adaptation chapter of the BTR
Scope of Assignment
The scope of work involves the following tasks to achieve the above objective

Compiling, analysing and updating the Adaptation Chapter of the BTR, using the available information and inputs from stakeholders. The assessments and reports should include at a minimum:

- A Report on national circumstances
- A Report on key vulnerabilities and risks based on the existing reports and field works if necessary and in consultation with stakeholders
- A reviewed and updated set of indicators for the Maldives NDC adaptation tracking framework, aligned with the latest Global Goal on Adaptation (GGA) framework and the monitoring and evaluation outputs developed under the National Adaptation Plan (NAP)
- A Project Idea Note on one of the priority sectors on Adaptation
- A set of infographics and other graphic contents, maps of the report
