State Pharmaceutical & Medical Supply Corporation Ltd

بسم الله الرحمن الرحيم

Reference No: SPMSC-HR-IU-2026-328

Job Title:	AC Technician (2 Positions)	**Work Location:**	Greater Male' Region
Division:	Resource	**Employment Type:**	Full-time
Deadline:	**13th November 2026, before 12:00 PM**		

Key Responsibilities

- Perform scheduled servicing, cleaning, testing, and preventive maintenance of air-conditioning and ventilation systems.
- Diagnosing and repair cooling, electrical, drainage, control, and refrigerant-related faults within the scope of competency.
- Monitor the performance and operating condition of AC systems serving pharmacies, warehouses, offices, and other critical areas.
- Respond promptly to failures that may affect temperature-sensitive products and operations.
- Maintain accurate service records, equipment history, system readings, and records of spare parts and materials used.
- Identify equipment requiring replacement, major repairs, or specialist contractor support.
- Installation, relocation, testing, and commissioning of new or existing air-conditioning equipment.
- Follow safe refrigerant, electrical, work-at-height and PPE practices.
- Coordinate with external contractors during HVAC maintenance and repair works and verify that completed work meets required standards.
- Perform any other duties assigned by management.

Minimum Qualifications and Experience

- Certificate 4 (MQA Level 4) in Air-Conditioning, HVAC, Mechanical Engineering, or related discipline with a minimum of two (2) to three (3) years of relevant experience.
- Certificate 3 (MQA Level 3) in Air-Conditioning, HVAC, Mechanical Engineering, or related discipline with a minimum of four (4) to five (5) years of relevant experience.
- Experience in AC/HVAC installation, servicing, maintenance, and repairs with knowledge of refrigeration systems, electrical controls, ventilation, and HVAC safety practices.

Salary & Benefits

- Remuneration of MVR 15,000
- Other benefits governed by applicable laws and the Corporation's policies
