**About CIFA**
CIFA - The 2nd Tianjin International Imported Food and Agricultural Products Exhibition, abbreviated in Chinese as “Tianjin Imported Food Exhibition,” is an international B2B professional sourcing event for imported food and agricultural products that is based in Tianjin, connects the world, and serves China’s vast import market. It is also an important platform for overseas agri-food enterprises to enter the Chinese market..
CIFA 2027 is scheduled to be held on April 22-24, 2027 at the National Convention and Exhibition Center (Tianjin), with a planned area of 60,000 square meters. It is expected to bring together industry organizations and government agencies from more than 40 countries and regions, as well as over 1,000 outstanding enterprises, and attract hundreds of thousands of professional buyers for on-site procurement. With the theme “Connecting Global Food Trade, Sharing Opportunities in China’s Import Market,” the exhibition focuses on the full range of imported agri-food products and integrates exhibition

display, procurement matchmaking, trend release, and government-enterprise exchange. Concurrent events include the Tianjin Imported Food Safety and Trade Conference, the Training Seminar on New Regulations for Domestic and Overseas Agricultural Food Products, the One-on-One Global Imported Food Business Matching Meeting, and the Science Popularization Corridor, as well as a series of activities such as the International Wine Label Management Forum, International Dairy Summit, International Cubilose Industry Development Forum, World Wine Master Class, promotion events for food and wine production areas, and the Landmark Cuisine Star Chef Cooking Championship. Leveraging Tianjin's advantages as northern China's economic center, a major port, and a key import distribution hub, CIFA radiates to the Beijing-Tianjin-Hebei region, Inner Mongolia, Northeast China, and North China. With the support and participation of competent government authorities, it helps build Tianjin into an international consumption center city and serves China's consumption upgrading and high-level opening-up. **We sincerely invite global agri-food enterprises to gather in Tianjin, understand China's rules, connect directly with Chinese buyers, and share China's opportunities!**
