CALL FOR CLINICAL EXAMINERS

Department of Rehabilitation Sciences | Faculty of Health Sciences | The Maldives National University

The Department of Rehabilitation Sciences, Faculty of Health Sciences, The Maldives National University, invites qualified physiotherapists to register their interest in joining our pool of Clinical Examiners.

Clinical Examiners will support clinical education by participating in the assessment of students during clinical case presentations and practical examinations for the Bachelor of Physiotherapy programme.

Eligibility Criteria

- Bachelor's Degree in Physiotherapy.
- A minimum of two (2) years of professional experience.

How to Apply

Interested and eligible physiotherapists are invited to complete the following form.

- Register here: https://forms.gle/5cCAtRp7MJSsTCAL7

Upon submission, the Department will contact applicants regarding the contract-signing process and provide an information leaflet outlining the role and responsibilities of Clinical Examiners.

Whenever an assessment is scheduled, registered examiners will be notified, and interested individuals may express their availability to participate in the assessment.
