1. Introduction and Objective

1.1. Introduction

Maldives Fund Management Corporation Limited (MFMC) is a 100% State-Owned Enterprise working towards facilitating capital market solutions for the development of the private sector of the Maldives. MFMC was established with the aim of fulfilling national development goals through increasing private sector investment. The corporation is expected to contribute the development of the private sector and will work closely with the Ministry of Economic Development and other relevant authorities to carry out their operations. MFMC also holds majority share of MFMC Capital, a subsidiary company of MFMC that will hold shares under a fund structure in the future.

Agro National Corporation (AgroNat) was formed as a subsidiary company of MFMC and is a State-Owned Enterprise with the overall mandate to assist in developing the agricultural sector. The Corporation will work towards enforcing objectives such as enabling an efficient supply-chain for agriculture, providing technical expertise and training to farmers, expanding the role of women in farming, and facilitating access to quality fertilizers across islands. The company will also aim to achieve economic targets relating to food security, import substitution, creation of jobs and improving the trade balance.

MFMC is seeking to outsource the Internal Audit function of MFMC, MFMC Capital and other subsidiaries of MFMC, and AgroNat to an experienced and well-established firm to formulate an audit plan, review internal policies and procedures, and conduct rolling internal audits for 3 years on an annual basis.

MFMC will review the scope yearly to accommodate any new subsidiaries that are formed for the operations. Fees for additional subsidiary audits shall be provided in the Financial Proposal.

1.2. Objective

The objective of this assignment is to ensure the establishment of proper control, governance, and risk management process within MFMC, MFMC Capital and other subsidiaries of MFMC, and AgroNat. The objective findings and recommendations for corrective measures are to assist MFMC, MFMC Capital and other subsidiaries of MFMC, and AgroNat in ensuring the authenticity of its financial records and efficiency of the operations of the corporation.

Therefore, MFMC would like to engage the services of a qualified team to perform the Internal Audit of these corporations.

2. Responsibilities and Scope of Work

The scope of the Internal Audit engagement includes the review of MFMC, MFMC Capital and other subsidiaries of MFMC, and AgroNat's existing risk management policies, operating policies, and reviewing the internal control systems of the operations of the corporations. The scope will be revised yearly to ensure that all of the subsidiary companies of MFMC are included in the audits.
