KEY PLAN FOR LOCATION  
LOT 11131 CENTRO MALL

GENERAL NOTES

1. All materials and workmanship to be of the highest possible standard.
2. Contractor to verify existing site conditions and all job dimensions, drawings, and specifications.
3. All work to conform to the Maldives National Building Code.
4. All materials to be of non-combustible construction as required by local building codes and regulations.
5. Contractor to make good all existing areas affected by work. Repair or replace any existing materials, finishes, light fixtures, hardware, etc. which are to remain.
6. Where applicable, fire-rated ceilings, partitions and doors to be provided to meet local building codes and regulations.
7. Appropriate concealed blocking and/or reinforcing steel to be provided in all new and existing walls as required to support new wall fixtures and shelves.
8. Appropriate concealed blocking and/or reinforcing steel to be provided in all new and existing ceilings as required to support new light fixtures, suspended ceilings, decorative elements, signage, etc.
9. Contractor to price, produce/manufacture, all finishes and materials as per general finishes schedule and drawings provided. Use of "equal" alternatives are subject to client's approval.
10. All exposed ceilings including existing wood deck, conduits, ducts, sprinkler lines, etc. to receive specified paint finish, unless indicated otherwise on drawings.
11. Contractor to ensure all glass edges to have safety bevel.
12. Do not scale drawings.
