REQUEST FOR APPLICATION FOR

Project Coordinator For Enhancing ICT Skills: Empowering Youth Project

Back Ground

The Ministry of Environment, Climate Change and Technology (MECCT) of Maldives is looking to engage a Project Coordinator to conduct a training program to lay the foundation stone for youth interested in establishing technology start-ups to drive market solutions with emerging technologies such as FINTEC and online marketing.

MECCT is the lead agency of the Maldives mandated with the development of the ICT field within the country. Our vision is to build a digitally empowered island nation.

The Standing Committee for Economic and Commercial Cooperation of the Organization of the Islamic Cooperation (COMCEC) serves as a central forum to address the common development problems of the Islamic Ummah and provide solutions to them.

MECCT, in partnership with COMCEC, is launching the "Enhancing ICT Skills: Empowering youth" project. The project is aimed at improving human resource capacity by creating a diverse mobile workforce which can deliver online applications, with emerging technologies such as FINTECH and online marketing integrated in them, that meets public demand.
