

# ARRI T1 Fresnel 1000W 3-Light Kit (220V)

**ARRI**

## Key Features

- 3000W Total
- 3 x Light Stands
- 3 x Barndoor Sets
- 3 x Filter Frames

The **ARRI T1 Fresnel 1000W 3-Light Kit (220V)** is a solid basic lighting kit: it delivers three T1 1000W Fresnel lights (well-known for its rugged construction, compact size, light weight, and its smooth focusing mechanism), plus light stands, barndoors, filter frames, scrims (full single and full double), lamps for each fixture, an accessory pack (containing ditty bag, clothes pins, leather gloves, bulb storage box, and an extension cord with 3 outlets), and a heavy-duty rolling case for safely storing and transporting the whole kit.
