

Dear Sir, Madam,

I am Gilbert Van Kerckhove, the chairman of the UWEE Expert Committee of the UWEE Louvre International Art Exhibition, and as chairman of the 2021UWEE Louvre International Art Exhibition, I would like to invite children from your country to join us for the 2021UWEE Louvre International Art Exhibition.

UWEE will cooperate with the United Nations World Food Program (WFP) to organize the 2021 UWEE Louvre International Art Exhibition with the theme of "ONE WORLD· ONE FUTURE." The art exhibition is a public welfare exhibition. The purpose is to eliminate regional differences, allow more people to participate in art creation on an equal footing, and convey the good wishes of peace to the world. This art exhibition will be held at the Louvre in Paris, France, on December 23 this year.

Your country has done a lot of outstanding work in cultivating youth culture and international art exchanges. We deeply admire and look forward to participating in your country's youth international art exchange work, showing the world the outstanding artistic talent and imagination of your country's youth, and conveying the beautiful desire for peace to the world.

UWEE hopes that you can help us invite children from your country to participate in 2021UWEE Louvre international art exhibition. Let more children participate and show their works and good wishes to the world. We believe that with your help, children will feel the meaning of "ONE WORLD· ONE FUTURE" more deeply.

Please arrange to collect and send your work to us (art@uwee.org) before November 30, 2021. After being selected by professional judges, all works will be featured in the gallery online (art.uwee.org). We will also select outstanding works exhibited in the Louvre Delorme Hall in Paris (see Annex for specific requirements).

Thank you for your hard work for the international art exchange and the public welfare of young people worldwide!

The chairman of the Organizing Committee
of UWEE Louvre International Art Exhibition
