Room 01

- 1) Renovate all floors and walls
- 2) Renew paint and finishes for all walls
- 3) Renovate and paint all ceilings
- 4) Renew all electrical wiring and appliances

Hallway 01

- 1) Renovate all floors and walls
- 2) Renew paint and finishes for all walls
- 3) Renovate and paint all ceilings

Hallway 02

- 1) Renovate all floors and walls
- 2) Renew paint and finishes for all walls
- 3) Renovate and paint all ceilings

Room 02

- 1) Renovate all floors and walls
- 2) Renew plastering, paint and finishes for all walls
- 3) Renovate and paint all ceilings

Toilet 03

- 1) Renovate all floors and walls
- 2) Renew paint and finishes for all walls
- 3) Change all doors to D1
- 4) Extend all cubicle partitions to ceiling finish level
- 5) Change all cubicle doors to D1
- 6) Replace all Doors - D1 and door frame
- 7) Replace and fix all electrical wiring, lighting and fixtures
- 8) Replace all fittings and fixtures

Balcony

- 1) Clean-up all floors and walls
- 2) Renew paint and finishes for all walls
- 3) Clean and paint all ceilings
- 4) Fix lighting and electrical wiring

Living Hall

- 1) Renovate all floors and walls
- 2) Renew paint and finishes for all walls
- 3) Renovate and paint all ceilings
- 4) Fix all electrical wiring and lighting
- 5) Replace all electrical fixtures and wiring
- 6) Replace DB and rewire from main connection panel

Stairwell

- 1) Renovate all floors and walls
- 2) Renew paint and finishes for all walls
- 3) Renovate and paint all ceilings
- 4) Fix all electrical wiring and lighting

Changing Room

- 1) Remove existing bench, sink and plumbing connections
- 2) Renovate all floors and walls
- 3) Renew paint and finishes for all walls
- 4) Renovate and paint all ceilings
- 5) Fix full-length mirror on back wall

Hallway 03

- 1) Renovate all floors and walls
- 2) Renew paint and finishes for all walls
- 3) Renovate and paint all ceilings
- 4) Fix all electrical wiring and lighting

Room 03

- 1) Renovate all floors and walls
- 2) Renew plastering, paint and finishes for all walls
- 3) Renovate and paint all ceilings
- 4) Fix all window handles
- 5) Fix all windows and window grills

Laundry

- 1) Renovate all floors and walls
- 2) Renew paint and finishes for all walls
- 3) Renovate and paint all ceilings
- 4) Accommodate washing machines
- 5) Add electrical wiring and sockets for washing machines
- 6) Add water supply for washing machines
- 7) Fix washing machine run-off to be connected to toilet 01 plumbing

Family Room

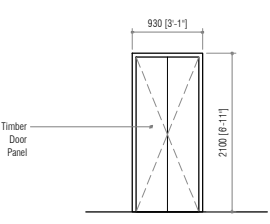

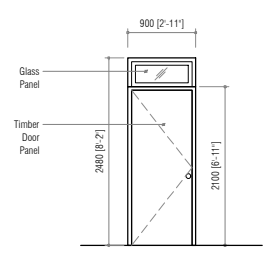

- 1) Renovate all floors and walls
- 2) Renew paint and finishes for all walls
- 3) Renovate and paint all ceilings
- 4) Remove partition as shown on drawing

Kitchen

- 1) Renovate all floors and walls
- 2) Renew paint and finishes for all walls
- 3) Renovate and paint all ceilings
- 4) Renovate Kitchen bench

Toilet 02

- 1) Renovate all floors and walls
- 2) Renew paint and finishes for all walls
- 3) Renovate and paint all ceilings
- 4) Repair all electrical and lighting
- 5) Replace all Fittings and fixtures

Notes:

- * All wiring and electrical circuits to be renewed, inclusive of switches, sockets, wiring and distribution boxes
- * All windows / handles and grills to be checked and replaced accordingly
