Date: 23rd December 2021

Announcement Reference no: (IUL)164-HR/1/2021/88

Project	Digital Development Project
Position	Project Coordinator
Vacancy	2
Type of Contract	Individual
Duration	24 Months

Terms of Reference

A. BACKGROUND

The Ministry of Environment, Climate Change and Technology (Ministry) through the National Centre for Information Technology (NCIT) is implementing the Digital Development Action Plan from the National Resilience and Recovery (NRR) Plan of the Government. The Project will be managed by the Project Management Unit (PMU) setup within NCIT in accordance with NRR and the Digital Development Action Plan developed by the Ministry.

The aim of the Project is to deliver on the digital development pledges of the Government, establishing the foundational components to drive the development of digital government, digital economy, and digital society. The Project will prioritize the establishment of a government technology stack and open data platform, enhancing government productivity, enable work from home and hybrid workplaces, enhancing the regulatory framework for digital development, and digital transformation of health and national care systems.

B. OBJECTIVES OF ASSIGNMENT

The Ministry intends to hire a Project Coordinator. The Project Coordinator will work for the PMU, which has been established for the implementation of the Project. The Project

-2-

Coordinator will develop detailed work plans for the development of the digital service products assigned and will actively engage in the rollout and subsequent support of digital service products across the agencies to support the delivery of the Digital Development Action Plan.

C. OVERALL RESPONSIBILITY

The overall responsibilities of the Project Coordinator include, but is not limited to the following:

1. Operational support for management of the digital service products assigned in accordance with the Digital Development Action Plan by the Ministry to produce the envisaged outputs and outcomes.
2. Ensure that all implementation arrangements of the digital service products assigned are carried out smoothly, in collaboration with the Project Director and stakeholder agencies.
3. Manage and carryout all activities involved in the rollout and operational support of the digital service products assigned and provide onsite/online support to end-users.
4. Prepare and update process-based training materials, FAQ, training videos, user guides and other required documentations necessary to ensure that the rollout process goes smoothly.
5. Provide digital service products training and maintain records of training programs, user accounts and meeting minutes.
6. Establish a project monitoring, evaluation and knowledge management system for the digital service products assigned and ensure that all progress reports are submitted to the Project Director on time.
7. Oversee the management of the Project Specialists allocated to you, as well as their activities, and all their outputs.
8. Perform all other tasks or activities required to fulfill the contractual obligations including day-to-day administrative tasks, planning, exchanging correspondence, etc.

D. SCOPE OF SERVICES

The work of the Project Coordinator will include the following tasks, among others:

1. The Project Coordinator shall develop and implement an action plan for the delivery of the outputs and outcomes of the digital service products assigned in line with the Ministry's Digital Development Action Plan.
2. Liaise with the Project Director, Management, stakeholders, and other relevant Project Coordinators to ensure the timely implementation of the project activities, relevant stakeholder activities and supervision activities according to the project document and as per approved by the Ministry.
3. Ensure that the digital service products assigned are developed and implemented in line with the NRR, Ministry's Digital Development Action Plan and other policies of the Government.
4. Lead and/or participate in document reviews, evaluations, and other appropriate committees established as part of the Project, when required.
5. Ensure all relevant information, documents, and reports are made available for review during review meetings by the Ministry, President's Office, or other Government agencies.
6. Report to the Project Director, Ministry, and other partner agencies in accordance with the procedures in place for reporting of Project implementation progress.
7. Review and comment on audit reports and take necessary actions to address the audit issues raised.

E. QUALIFICATIONS AND EXPERIENCE

First Degree/ Professional Certificate in Project Management, Business, Computing or Business IT or related field, with relevant professional work experience of 3 years or 7 years or more;

OR

Master's Degree or above in Project Management, Business, Computing or Business IT or related field, with relevant professional work experience of 3 years or more.

-4-
