Printing “National Implementation Plan, 2017 Stockholm Convention on Persistent Organic Pollutants”

Terms of Reference

1. Background

As part of obligations under the Stockholm Convention, the Maldives developed its “**National Implementation Plan (NIP), 2017. Stockholm Convention on Persistent Organic Pollutants**”, through the project “Enabling Activities to Facilitate and Early Action on the Implementation of the Stockholm Convention on Persistent Organic Pollutants”. This project was funded by the Global Environment Facility (GEF), administered by the United Nations Industrial Development Organization (UNIDO), and executed by the Ministry of the Environment and Energy (MEE). The NIP was developed by a team of national consultants, with the guidance of international consultants and the implementing agency, through a participatory and consensus-building process.

The Ministry of Environment and Energy is seeking a party to provide printing, binding and the finishing services for the publication of the “National Implementation Plan, 2017 Stockholm Convention on Persistent Organic Pollutants” book.

2. Scope of Works

The scope of works will include printing, binding & finishing of 100 nos. booklets according to the specifications provided by the Ministry and delivery.
