### ENGINEER

### TERMS OF REFERENCE

#### A. PURPOSE

The Ministry of National Planning, Housing and Infrastructure (MNPHI) is seeking to hire **08 Engineers** to assist its infrastructure technical team in development and implementation of Public Sector Infrastructure Projects (PSIP) implemented by the Ministry.

#### B. BACKGROUND

MNPHI is mandated to implement various infrastructure projects including airports, buildings, harbours, shore protection, land reclamation, roads & stormwater drainage and water & sewerage projects. The Engineers will be required to assist and provide technical input for the infrastructure team in development and implementation in projects which include but not limited to; airports, buildings, harbours, shore protection, land reclamation, roads & stormwater drainage and water & sewerage projects.

#### C. OVERALL RESPONSIBILITY

The objective of this assignment is to provide assistance on all technical aspects of the projects in accordance with the project documents and as per the Public Finance Regulations of Maldives. The Engineers will be required to work closely with the Infrastructure department team including administrators, project managers, project coordinators and engineers. Coordinate between these groups and stakeholder agencies to ensure all implementation arrangements of projects are carried out smoothly and on time.

#### D. SCOPE OF WORKS

The work of the Engineer will include the following tasks, among others:

1. In Contract Administration/ project management of Infrastructure projects implemented by MNPHI.

2. Participate in construction oversight activities during civil works and maintain regular meetings, maintaining logs and records of the progress, issue of change notices and approvals of payments;
3. Visit project sites and inspect the civil works of the projects and give site specific instructions where necessary;
4. Prepare concept level designs, bill of quantities, employer's requirements and technical specifications for the projects;
5. Assist in tendering process, including in procurement, evaluation and contract negotiation stage;
6. Prepare reports such as annual work plan, annual project review reports, project progress reports, bi-annual reports, quarterly reports, etc. and other documentation requested by MNPFI for review and/ or for presentation;
7. Review the operation and maintenance manuals submitted by the contractors; and provide guidance where necessary in establishing operation and maintenance procedures in consultation with project stakeholders;
8. Participate in monitoring and evaluation for the contracts issued for projects managed by MNPFI;
9. Undertake other technical tasks as and when required by the MNPFI.

This position is based at the offices of the MNPFI in Male' but extensive travel to islands including stationing in project sites will be required.

## **E. QUALIFICATIONS AND EXPERIENCE**

1. Minimum undergraduate degree in Civil Engineering or related field.
2. Experience working in projects and/or internships (responsibilities including design, design review, site supervision and substantial contract management responsibilities) will be an added advantage.
3. Should possess sound knowledge of computer aided design software/ applications.
4. Should have excellent command over English with proven communication and, presentation and negotiation skills.
5. Should have strong leadership, management and communication skills in presenting, discussing and resolving difficult issues and have ability to work efficiently and effectively with a multidisciplinary team.

The successful Candidate must be willing to work for extended periods without direct supervision and travel routinely to islands within the catchment.

The short-listed candidate will be requested to participate in personal interviews and submit the names and contact details of personal referees who can attest to their ability.

The successful candidate must understand the objectives and delivery mechanisms of the projects' portfolio. He/she must be willing to work in a team, be flexible to emerging or changing conditions, and undertake initiative in his/her broad field of actions.

## **F. REPORTING REQUIREMENT**

1. Report directly to the Director General (DG) on all aspects of Project Management throughout the duration of the contract unless otherwise advised by the Client.
2. The Engineer should report to work on week days from 0800 – 1600 hours other than public holidays and provide services to the Client for an average of 40 hours a week. Remuneration for less than 8 hours work per day will be on a pro-rate basis.
3. The Engineer shall provide all the necessary reports and updates to the Director General (DG) and respective stakeholder as and when required.
4. The Engineer is required to report to work in official attire.

## **G. SCHEDULE FOR THE ASSIGNMENT**

Duration of the assignment is **12** months from the commencement of the works with potential extension, based on performance and need. The successful candidate is expected to commence the services in **February 2022**.

The performance criteria that will be used to assess the performance of the successful candidate at regular intervals and based upon which the contract may be continued or terminated are the effectiveness, efficiency and quality of delivering on the Scope of Services, Duties and Responsibilities of the assignment.

## **H. SELECTION CRITERIA**

The Engineer will be selected based on the following criteria.

<b>Rating Criteria</b>	
<b>Criterion</b>	<b>Rate</b>
<b>Educational Qualification</b> - Minimum undergraduate degree in Civil Engineering or related field.	<b>50 points</b>
<b>Interpersonal Skills and Presentation (will be assessed during personal interview)</b>	<b>50 points</b>

--	--

**I. REMUNERATIONS AND LEAVE DETAILS**

1. Successful candidate will be paid a fixed monthly remuneration, depending on qualification and experience, ranging from **MVR 17,000 to MVR 35,000**. Whereas 50% of the eligible amount will be paid as Monthly Basic Salary and 50% will be paid as Living allowance.
2. Successful candidate will be entitled to Pension deduction as per Maldivian Pension Act from the Monthly Basic Salary (7%).
