## Essential Medicines Required to be kept in Pharmacies

S.No	Category	Medicine	Dosage Form	Level of pharmacies to be kept
1	POM	Acetyl salicylic acid	Tablet	The medicine shall be available in all registered retail pharmacies.
			Cream Ointment	
2	OTC	Albendazole	Oral liquid	The medicine shall be available in all registered retail pharmacies.
3	POM	Alendronate	Tablet	The medicine shall be available in all registered retail pharmacies.
4	POM	Allopurinol	Tablet	The medicine shall be available in all registered retail pharmacies.
5	OTC	Aluminium-Magnesium based antacid	Tablet	The medicine shall be available in all registered retail pharmacies.
			Oral liquid	
6	POM	Amitriptyline	Tablet	The medicine shall be available in all registered retail pharmacies.
7	POM	Amlodipine	Tablet	The medicine shall be available in all registered retail pharmacies.
			Capsule	
8	POM	Amoxicillin	Powder for oral suspension	The medicine shall be available in all registered retail pharmacies.
			Tablet/Capsule	
9	POM	Amoxicillin + clavulanic acid	Oral drops/Syrup	The medicine shall be available in all registered retail pharmacies.
			Tablet	
10	POM	Ampicillin (ACCESS Group)	Tablet	The medicine shall be available in all registered retail pharmacies.
11	OTC	Ascorbic acid	Tablet	The medicine shall be available in all registered retail pharmacies.
12	POM	Atorvastatin	Tablet	The medicine shall be available in all registered retail pharmacies.
13	POM	Baclofen	Tablet	The medicine shall be available in all registered retail pharmacies.
14	POM	Beclometasone	Inhalation (aerosol)	The medicine shall be available in all registered retail pharmacies.
			Solution (nasal Spray)	
15	POM	Benzyl benzoate	Lotion	The medicine shall be available in all registered retail pharmacies.
16	POM	Betamethasone	Ointment	The medicine shall be available in all registered retail pharmacies.
			Cream	
17	POM	Bisacodyl	Tablet	The medicine shall be available in all registered retail pharmacies.
			Suppository	
18	POM	Carbamazepine	Tablet	The medicine shall be available in all registered retail pharmacies.
			Oral liquid	
19	POM	Carbimazole	Tablet	The medicine shall be available in all registered retail pharmacies.
20	OTC	Cetirizine	Oral liquid	The medicine shall be available in all registered retail pharmacies.
			Tablets	

21	POM	Chloramphenicol	Solution (eye drops)	The medicine shall be available in all registered retail pharmacies.
			Ointment	
22	OTC	Chlorhexidine	Solution	The medicine shall be available in all registered retail pharmacies.
23	OTC	Chloroxylenol (dettol)	Cream	The medicine shall be available in all registered retail pharmacies.
			Liquid	
24	POM	Chlorpromazine	Tablet	The medicine shall be available in all registered retail pharmacies.
25	POM	Cinnarazine	Tablet	The medicine shall be available in all registered retail pharmacies.
26	POM	Clopidogrel	Tablets	The medicine shall be available in all registered retail pharmacies.
27	POM	Clotrimazole	Solution (ear drops)	The medicine shall be available in all registered retail pharmacies.
			Oral paint	
			Tablet	
28	POM	Clotrimazole + Betamethasone	Cream	The medicine shall be available in all registered retail pharmacies.
29	POM	Clotrimazole + hydrocortisone	Solution ( ear drops)	The medicine shall be available in all registered retail pharmacies.
30	POM	Diclofenac sodium	Tablet	The medicine shall be available in all registered retail pharmacies.
			Suppository	
31	POM	Digoxin	Tablet	The medicine shall be available in all registered retail pharmacies.
32	POM	Domperidone	Oral liquid	The medicine shall be available in all registered retail pharmacies.
			Tablet	
33	POM	Doxycycline (ACCESS Group)	Capsule	The medicine shall be available in all registered retail pharmacies.
			Tablet	
34	POM	Doxylamine + Pyridoxine	Tablet	The medicine shall be available in all registered retail pharmacies.
35	POM	Elemental Zinc (sulphate )	Oral liquid	The medicine shall be available in all registered retail pharmacies.
			Tablet	
36	POM	Enalapril	Tablet	The medicine shall be available in all registered retail pharmacies.
37	POM	Erythromycin estolate (ACCESS Group)	Capsule	The medicine shall be available in all registered retail pharmacies.
			Tablet	
38	POM	Escitalopram	Tablet	The medicine shall be available in all registered retail pharmacies.
			Powder for oral suspension	
39	POM	Ethinylestradiol	Tablet	The medicine shall be available in all registered retail pharmacies.
40	POM	Ethinylestradiol + levonorgestrel	Tablet	The medicine shall be available in all registered retail pharmacies.
41	POM	Ethinylestradiol + norethisterone	Tablet	
42	POM	Ferrous salt	Oral solution	The medicine shall be available in all registered retail pharmacies.
			Tablet	
43	POM	Ferrous salt + folic acid	Tablet	The medicine shall be available in all registered retail pharmacies.
44	POM	Finasteride	Tablet	The medicine shall be available in all registered retail pharmacies.

45	POM	Fluconazole	Capsule Tablet	The medicine shall be available in all registered retail pharmacies.
			Oral suspension	
			Eye drops	
46	POM	Fluoxetine	Capsules	The medicine shall be available in all registered retail pharmacies.
			Tablet Syrup	
47	POM	Folic acid	Tablet	The medicine shall be available in all registered retail pharmacies.
48	POM	Furosemide	Tablet	The medicine shall be available in all registered retail pharmacies.
49	POM	Fusidic Acid	Ointment	The medicine shall be available in all registered retail pharmacies.
			Cream	
50	POM	Gentamicin (ACCESS Group)	Solution(eye drops)	The medicine shall be available in all registered retail pharmacies.
51	POM	Glimepiride	Tablet	The medicine shall be available in all registered retail pharmacies.
52	OTC	Glycerin	Suppository	The medicine shall be available in all registered retail pharmacies.
53	POM	Griseofulvin	Capsule or tablet	The medicine shall be available in all registered retail pharmacies.
54	POM	Hydrochlorothiazide	Tablet	The medicine shall be available in all registered retail pharmacies.
55	POM	Hydrocortisone	Ointment	The medicine shall be available in all registered retail pharmacies.
			Cream	
56	POM	Hyoscine butyl bromide	Tablet	The medicine shall be available in all registered retail pharmacies.
57	OTC	Hypromellose	Gel	The medicine shall be available in all registered retail pharmacies.
58	POM	Ibuprofen	Tablet	The medicine shall be available in all registered retail pharmacies.
59	POM	Imipramine	Tablets	The medicine shall be available in all registered retail pharmacies.
60	POM	Insulin injection (soluble )	Injection	The medicine shall be available in all registered retail pharmacies.
61	POM	Intermediate-acting insulin (human)	Injection	The medicine shall be available in all registered retail pharmacies.
62	POM	Ipratropium bromide	Inhalation (aerosol)	The medicine shall be available in all registered retail pharmacies.
63	POM	Isosorbide dinitrate	Tablet	The medicine shall be available in all registered retail pharmacies.
64	POM	Itraconazole	Tablet	The medicine shall be available in all registered retail pharmacies.
65	POM	Glyceryl Trinitrate	Tablet	The medicine shall be available in all registered retail pharmacies.
66	POM	Ketoconazole	Cream	The medicine shall be available in all registered retail pharmacies.
67	POM	Lactulose	Oral suspension	The medicine shall be available in all registered retail pharmacies.
68	POM	Levothyroxine	Tablet	The medicine shall be available in all registered retail pharmacies.
69	POM	Loratadine	Tablet	The medicine shall be available in all registered retail pharmacies.
			Oral liquid	

70	POM	Losartan potassium	Tablet	The medicine shall be available in all registered retail pharmacies.
71	POM	Mebendazole	Tablet	The medicine shall be available in all registered retail pharmacies.
			Syrup	
72	POM	Mefenamic Acid	Tablet	The medicine shall be available in all registered retail pharmacies.
73	POM	Metformin	Tablet	The medicine shall be available in all registered retail pharmacies.
74	POM	Metoclopramide	Tablet	The medicine shall be available in all registered retail pharmacies.
			Syrup	
75	POM	Metolazone	Tablet	The medicine shall be available in all registered retail pharmacies.
76	POM	Metoprolol	Oral suspension	The medicine shall be available in all registered retail pharmacies.
			Tablet	
77	POM	Metronidazole	Tablet	The medicine shall be available in all registered retail pharmacies.
78	POM	Miconazole	Cream	The medicine shall be available in all registered retail pharmacies.
			Ointment	
79	POM	Mupirocin	Ointment	The medicine shall be available in all registered retail pharmacies.
			Cream	
80	POM	Natamycin	Eye drops	The medicine shall be available in all registered retail pharmacies.
81	POM	Nepafenac	Eye drop	The medicine shall be available in all registered retail pharmacies.
82	POM	N-Acetylcysteine	Tablet	The medicine shall be available in all registered retail pharmacies.
83	POM	Olopatadine	Eye solution	The medicine shall be available in all registered retail pharmacies.
84	OTC	Oral rehydration salts * (for glucose-electrolyte solution)	Oral solution	The medicine shall be available in all registered retail pharmacies.
85	POM	Oxymetazoline	Solution (Nasal drops)	The medicine shall be available in all registered retail pharmacies.
86	OTC	Pantoprazole	Tablet	The medicine shall be available in all registered retail pharmacies.
87	OTC/POM	Paracetamol	Oral Drop /Oral liquid	The medicine shall be available in all registered retail pharmacies.
			Tablet	
	POM		Suppository	
88	POM	Phenytoin sodium	Oral liquid	The medicine shall be available in all registered retail pharmacies.
			Capsule/ Tablet	
89	POM	Povidone Iodine	Ointment	The medicine shall be available in all registered retail pharmacies.
			Cream	
90	POM	Prednisolone	Oral liquid	The medicine shall be available in all registered retail pharmacies.
			Tablet	
91	POM	Prochlorperazine	Oral liquid	The medicine shall be available in all registered retail pharmacies.
			Tablet	
92	POM	Propacaine	Eye drops	The medicine shall be available in all registered retail pharmacies.
93	POM	Propranolol	Tablet	The medicine shall be available in all registered retail pharmacies.
94	POM	Ranitidine	Tablet	The medicine shall be available in all registered retail pharmacies.

95	POM	Salbutamol	Inhalation (aerosol)	The medicine shall be available in all registered retail pharmacies.
			Respirator solution for use in nebulizers	
			Tablet	
96	POM	Silver sulfadiazine	Cream	The medicine shall be available in all registered retail pharmacies.
