D. EVALUATION OF PROPOSALS		
20. Confidentiality	20.1.	Information relating to the ongoing evaluation of proposals, comparison of proposals and recommendation of contract award shall not be disclosed to Proponents or any other persons not officially related to the RFP process until information on Contract award is communicated to all Proponents in accordance with ITP 29.
	20.2.	Any attempt by a Proponent to influence the Lessor in the evaluation of the proposals or Contract award decisions may result in the rejection of its proposal of the Proponent.
	20.3.	Notwithstanding ITP 20.2, from the time of proposal opening to the time of Contract award, if a Proponent wishes to contact the Lessor on any matter related to the RFP process, it shall do so in writing.
21. Clarifications for Proposals	21.1.	To assist in the examination, evaluation, and comparison of the proposals, and qualification of the Proponents, the Lessor may, at its discretion, ask any Proponent for a clarification of its proposal, giving reasonable time for a response. Any clarification submitted by a Proponent that is not in response to a request by the Lessor shall not be considered. The Lessor's request for clarification and the response shall be in writing. No change, including any voluntary increase or decrease, in the proposed rates or figures or substance of the proposal shall be sought, offered, or permitted, except to confirm the correction of arithmetic errors discovered by the Lessor in the evaluation of the proposals, in accordance with ITP 24.
	21.2.	If a Proponent does not provide clarifications of its proposal by the date and time set in the Lessor's request for clarification, its proposal may be rejected.
22. Deviations, Reservations & Omissions	22.1.	During the evaluation of proposal, the following definitions apply: (a) "Deviation" is a departure from the requirements specified in the RFP Documents. (b) "Reservation" is the setting of limiting conditions or withholding from complete acceptance of the requirements specified in the RFP Documents; and (c) "Omission" is the failure to submit part, or all of the information or documentation required in the RFP Documents.
23. Determination of Responsiveness	23.1.	The Lessor's determination of a proposal's responsiveness is to be based on the contents of the proposal itself, as defined in ITP 9.

	23.2.	A substantially responsive proposal is one that meets the requirements of the RFP Documents without material deviation, reservation, or omission.
	23.3.	A material deviation, reservation, or omission is one that, (a) if accepted, would (i) affect in any substantial way the scope, quality, or performance of the Works specified in the Contract; or (ii) limit in any substantial way, inconsistent with the RFP Documents, the Lessor's rights or the Proponent's obligations under the proposed Contract; or (b) if rectified, would unfairly affect the competitive position of other Proponents presenting substantially responsive proposal
	23.4.	If a proposal is not substantially responsive to the requirements of the RFP Documents, it shall be rejected by the Lessor and may not subsequently be made responsive by correction of the material deviation, reservation, or omission.
24. Correction of Arithmetical Errors	24.1.	Provided that the proposal is substantially responsive, the Lessor may correct arithmetical errors on the following basis: (a) if there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the Lessor there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected; (b) if there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and (c) if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (a) and (b) above.
	24.2.	Proponents shall be requested to accept correction of arithmetical errors. Failure to accept the correction in accordance with ITP 24.1, shall result in the rejection of the Proposal.
25. Evaluation of Proposals	25.1.	The Lessor shall use the criteria and methodologies listed in Section II Evaluation Criteria.
26. Lessor's Right to Accept Any & to Reject Any or All Proposals	26.1.	The Lessor reserves the right to accept or reject any proposal, and to annul the RFP process and reject all proposal at any time prior to contract award, without thereby incurring any liability to Proponents. In case of annulment, all proposals submitted and specifically, bid securities, shall be promptly returned to the Proponents.
E. AWARD OF CONTRACT		
27. Award Criteria	27.1.	Subject to ITP 26.1., the Lessor shall conditionally award the Contract to the Proponents whose proposal has been determined to be substantially responsive to the RFP Documents and scored the highest marks from each category as specified in ITP 25., provided further that the Proponent is determined to be qualified to perform the Contract satisfactorily. The Lessor has liberty to select the highest-ranking Proponent to be awarded the Contract whilst selecting a second and third ranking Proponent to be given opportunities to progress should the awarded Proponents fail to fulfil the terms of the conditional award.

28. Notification of Award	28.1.	Prior to the expiration of the period of proposal validity, the Lessor shall notify the successful Proponent, in writing, that its proposal has been accepted.
	28.2.	Until a formal contract is prepared and executed, the successful Proponents' proposal and the notification of award shall constitute a binding Contract.
29. Signing of Agreements	29.1.	Promptly upon notification of the conditional award, the Lessor shall send the successful Proponent the Framework Agreement.
	29.2.	The Framework Agreement shall define the terms of negotiations and further requirements to be finalized prior to signing of the Final Agreement and confirmation of the Project to be awarded to the Proponent.
	29.2.	The Final Agreement will be forwarded to the Proponent on successful completion of the terms of the Framework Agreement and on finalization of the approval to award the Final Contract. The Final Contract will be signed after the receipt of any due payments or documentations as per ITP 31. and ITP 33. of this RFP, and on submission of the Performance Guarantee as per ITP 32. of this RFP.
30. Termination	30.1.	In case of any material breach of any of the Contractual obligations by the Proponent, the Lessor shall have the right to terminate the contract without prior notice.
31. Payment for Development Rights	31.1.	The Proponent shall be required to make payment for the development rights (if applicable) on the project at the rate as defined in the Section III clause 5., as compensation to the Lessor for assigning the development. The rate and the payment terms are subject to final negotiations prior to the signing of the Final Agreement. The development rights shall be paid in regard to the total GFA of the project based on the final development details as agreed between the Proponent and the Lessor.
32. Performance Guarantee	32.1.	Prior to the signing of the Final Agreement, the Lessor reserves the right to call for the placement of a Performance Guarantee from the Proponent and unless otherwise agreed, the Performance Guarantee should be provided as per the terms and conditions to be agreed for the Final Agreement.
	32.2.	The Performance Guarantee amount shall be based on the value of the project as proposed by the Proponent generally within the limitation as given below but not exceeding 2.5% of the overall value of the project. The final value of the required Performance Guarantee shall be based on the final scope of the Project as agreed between the Lessor and the Proponent and in currencies as stated below: (a) for locally registered Proponents the Performance Guarantee shall be placed in Maldivian Rufiyaa. (b) for international Proponents the Performance Guarantee shall be placed in United States Dollars.
	32.3.	The Performance Guarantee shall be issued by registered Bank or financial institution (such as an insurance, bonding or surety company) as per the format included in Section V.
	32.3.	The Performance Guarantee shall be valid for 12 (twelve) months from the date of signing the Final Agreement, and shall be renewed annually until the completion of the construction period.

	32.4.	Failure to pay the Performance Guarantee within the specified time periods in the letter of award will result in the annulment of conditional award of contract.
33. Lease Deposit	33.1.	Prior to the signing of Final Agreement in accordance with ITP 29.1, the successful Proponent shall pay a lease deposit to the account which will be notified in the Letter of Award. The applicability of the lease deposit and the amounts shall be based on the Proponents proposal but shall generally not exceed an exposure of three months dues as proposed by the Proponent.
	33.2.	Failure to pay the applicable lease deposit within the specified time period may result in the annulment of conditional award of contract.

SECTION II – EVALUATION CRITERIA

This Section provides details of the criteria that the Lessor shall use to evaluate the Proponents proposals and to qualify and assign rankings for the proposals. In accordance with ITP clause 25., the Lessor shall consider the details given below and no other factors, methods or criteria shall be used in the evaluation of the proposals.

The Proponent is required to provide a summary brief of these evaluation requirements using the sample forms given in Section V and the proposals shall fulfill the requirements in accordance with the ITP clause 9.1.

The Proponent is at liberty to provide any support or detailed information in support of the Proponents proposal along with the information provided in the forms given in Section V. However, the information provided in the required forms shall be considered in the first evaluation and any support details shall only be referred to where clarifications are needed.

The evaluation of the proposals shall be conducted based on the following categories and scoring assigned as the guidelines given below:

1. Proposed Rent: 40%	1.1.	The minimum accepted lease rent for the development is Maldivian Rufiyaa 15/- (Fifteen) per square feet per month for the land area assigned for the development. Any proposal which is less than the said lease rate shall be disqualified.
	1.2.	Proponents are required to propose a lease rent for the land allocated for the development as a lease rent per square feet per month for the first five (05) years. For clarity, the rent periods shall be counted excluding any final agreed grace periods given for the development.
	1.3.	The proposed lease rent should cover the first 5 years either as a flat rate throughout the first five (05) years or on an escalation based on annual increments as proposed by the Proponent.
	1.4.	Lease rents beyond the initially proposed five (05) years shall be revised every two (02) years based on market inflation using the following formula: $P(1+i+5\%)$, where 'P' represents the ending years final monthly lease rate, 'i' represent the cumulative inflation for the preceding two (02) years.
	1.5.	The proposed lease rate shall be evaluated using the Net Present Value (NPV) of the proposed rent for the first five (05) years at a discount rate of 10%.
	1.6.	The Proponent with the highest acceptable NPV shall be given the maximum score whereby points shall be assigned to remaining Proponents on a prorated basis.
	1.6.	To avoid manipulation of the scoring by providing unrealistic lease rents, the Lessor shall use an outlier formula to eliminate outliers, both on the lower end and the higher end of the rent proposals.
2. Development Cost: 20%	2.1.	In order to achieve the overall requirements of the development as planned for by Lessor, the Lessor shall strive to maintain reasonable costs controls in the development to make the development financially sustainable while also encouraging reduction in the costs of services provided to the public from the development. Towards this end, proposals that are in line with the overall project value target as planned for by the Lessor shall be given priority.
	2.2.	For the purpose of the valuation of the development, the Proponent should quote separately the estimated development costs of the proposed parking and wholesale areas floors as mandated for

		<p>development by the Lessor and the estimated balance costs of the Proponents own proposed developments.</p> <p>The Proponent may quote the total estimated costs of the development for the Lessors review, however, for the purpose of the evaluation, the Lessor shall only consider the apportionate development cost of the parking and wholesale areas only.</p> <p>For reference, the estimated project values for the development of the parking areas and wholesale floors (excluding the Proponents Commercial floors) for the plot assigned for this development is Maldivian Rufiyaa 65,000,000/- (Sixty-Five Million).</p>
3. Lease Period: 20%	2.3.	<p>The Proponent with the lowest estimated value for the proposed parking and wholesale areas shall be given the maximum score whereby points shall be assigned to remaining Proponents on a prorated basis.</p>
4. Concept Design: 10%	2.4.	<p>To avoid manipulation of the scoring by providing unrealistic project estimates, the Lessor shall use an outlier formula to eliminate outliers, both on the lower end and the higher end of the cost proposals.</p>
	3.1.	<p>The land allocated for this project is to be assigned to the Proponent on a lease basis and the ownership of the land will remain with the Lessor. For clarity, there is no offer to sell the land to the Proponent and the offer of lease is final and all proposals submitted by the Proponents shall give due consideration to this and any proposal with terms contradictory to the offer of lease shall be disqualified.</p>
	3.2.	<p>Provided that the period proposed is not contradictory to the current legal framework, Proponents may propose a lease period that fulfills the Proponents financial feasibility and viability targets depending on the value and justifications of the Proponents investment.</p> <p>The Proponent with the shortest proposed lease period shall be given the maximum score whereby points shall be assigned to remaining Proponents on a prorated basis.</p>
	4.1.	<p>Proponents may submit a design concept based on the Lessors project requirement as a means to assess the Proponents planned developments match with the requirements of the Lessor.</p>
	4.2.	<p>Scoring shall be given based on the clarity of the proposed concept achieving the requirements of the Lessor, adaptation of the design to minimize impact to the nature and surroundings, functionality of the designs, durability of the proposed materials and the overall aesthetics and design.</p>
	4.3.	<p>The Proponent with the highest evaluation shall be given the maximum score whereby points shall be assigned to remaining Proponents on a prorated basis.</p>

5. Capacity of Proponent: 10%	5.1.	The Lessor shall strive to assess the capacity of the Proponents and to rank proposals that are submitted by Proponents who show considerable capability and capacity to fulfill the development as proposed.
	5.2.	Towards this end, the Lessor shall assess the Proponents capacity based on the experience of having undertaken similar developments in line with related civil works developments, experience of the Proponent through completed or ongoing projects, financial capacity of the Proponent through assessment of the Proponents financials and availability of financial and other resources accessible to the Proponent.

SECTION III – REQUIREMENTS OF THE LESSOR
