- b) Proposals shall be evaluated in accordance with the Party's demonstrated capacity and experience and expertise. The awarding criteria and weightage will be annexed to this document.
- c) Parties shall bear all costs associated with the preparation and submission of the Application and Island Aviation will not in any case be responsible and liable for the costs incurred.

- d)** All information given in writing to or verbally shared with the Party's in connection with this Request for Proposal is to be treated as strictly confidential. The Party's shall not share or invoke such information to any third party without the prior written approval of IASL. This obligation shall continue after the procurement process has been completed whether the Party is successful.
- e)** All materials submitted in Response to the Request for Proposal shall become the property of IASL. Proposals and supporting materials will not be returned to the Party.
- f)** All information provided will be subjected to verification by IASL. Submission of incomplete or unsigned forms may result in rejection of the proposals as non-responsive.
- g)** IASL will only accept one proposals document from every party.
- h)** To assist in the evaluation and comparison of proposals, IASL may, at its discretion, request any party for clarification of its proposals. This will be clarified in writing, but no change in substance or price of the proposals will be sought.
- i)** IASL will evaluate and compare only those proposals determined to be responsive in accordance with requirements specified in the proposal.
- j)** IASL will award the contract in writing to the party who scores the highest marks in compliance with the criteria decided by the Proposals Evaluation Committee.
- k)** Upon furnishing by the successful party, IASL will promptly notify the other parties through telephone or email that their proposals have been unsuccessful.

2.6. Evaluation Criteria

IASL intends to apply the following criteria for the selection of proposals. Points will be given to proposals according to the evaluation criteria below.

Category	Details	Points
Price Offered	Each party's price is used to identify their relative position on a 0 – 60 price scale. This is done by allocating the lowest priced qualified proposals 60 points and scaling-down the remaining party's score in relation to this, based on the price proposed by the party. <i>Price percentage = 60 x (lowest price / quoted price)</i>	60%
Relevant Past Experience	Letters from clients stating the successful execution of similar tasks or evidence of related works to attain marks for the "Past Experience" category.	20%
Delivery and detailed work plan	Implementation plan need to be provided for the works. Estimated delivery period with number of days required for the works to be provided by the vendor.	20%

NOTE:

Letters from clients stating the successful execution of similar projects or evidence of similar projects is required to attain marks for the "Past Experience" category.
