REQUEST FOR PROPOSAL:

SALE OF RECYCLABLE/SCRAP/REUSABLE MATERIALS

1. Background

Waste Management Corporation Limited (WAMCO) is a State-Owned Entity which is mandated to cater to the waste management needs of the nation in a sustainable and cost-effective manner. Formed in the year 2009, WAMCO's core business consists of waste collection, transfer, treatment & disposal. We rely on environmentally sustainable methods of waste management to minimize its impact on the ecosystem of the Maldives, with the objective to reduce, reuse and recycle of waste (3R concept). Our service portfolio caters to households, businesses, government entities, resorts and industrial islands across the nation. We commenced services to greater Male' region towards the end of 2016, and currently operate in 8 islands across the nation; approximately 43,430 customers comprising of both households and commercial entities.

Some level of segregation is carried out at all facilities, however due to the lack of resources i.e. space and equipment the corporation is unable to scale up the operations. At present there is around 200 to 300 tons of recyclable materials segregated and in loose form between all facilities of WAMCO. This includes plastic, metal, rubber, used oil and glass.

2. Scope of contract

2.1. Sale of recyclable materials from all regions where WAMCO offices are stationed. This includes short term project areas as well as long term/ permanent establishments.

2.2. Segregated recyclable materials available for sale includes but is not limited to Plastic (HDPE, PET, PP), metal (ferrous, non-ferrous), Glass, Paper (Cardboard, books, shredded mixed paper), battery and used oil.

2.3. Once the notice for collection (upon accumulation of a pre agreed tonnage/volume) is issued to the contractor collect and transfer the agreed volume/tonnage of recyclables is accumulated.

2.4. Main collection hubs are

2.4.1. Seenu Hithadhoo
2.4.2. Gnaviyani Fuvahmulah
2.4.3. Kaafu Thilafushi and
2.4.4. Raa Vandhoo.
