

The Maldives National University

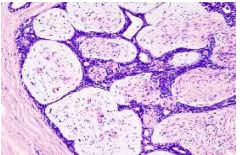

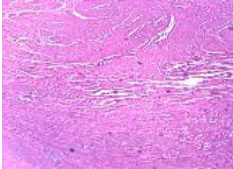

School of Medicine Pathology

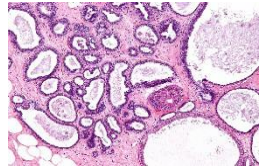

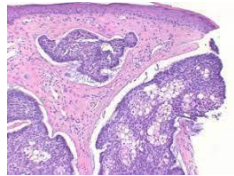

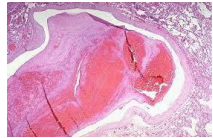

Slides

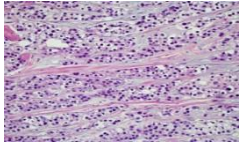

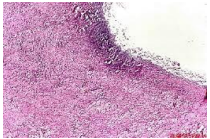

no	Item (Slides)	Description/Identification	Required quantity	Picture
1	Fatty change liver slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case • Function: educational 	05no's	
2	Amyloidosis	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case • Function: educational 	05no's	

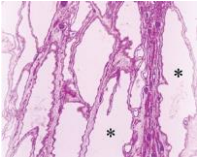

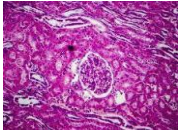

3	Granuloma (foreign body, tuberculous) slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case • Function: educational 	05no's	
4	Acute pyelonephritis slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case • Function: educational 	05no's	
5	Fibrinous inflammation slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case • Function: educational 	05no's	

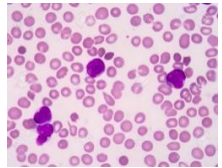

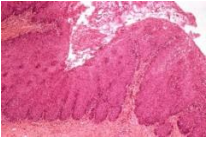

6	Abscess slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case • Function: educational 	05no's	
7	Granulation tissue slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case • Function: educational 	05no's	
8	Meningioma slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case • Function: educational 	05no's	

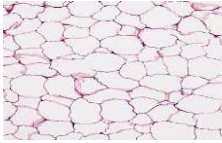

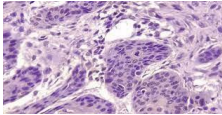

9	Squamous cell papilloma slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case <p>Function: educational</p>	05no's	
10	Fibroadenoma of the breast slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case <p>Function: educational</p>	05no's	
11	Leiomyoma slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case 	05no's	

		Function: educational		
12	Fibrocystic disease of the breast slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case <p>Function: educational</p>	05no's	
13	Basal cell carcinoma slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case <p>Function: educational</p>	05no's	
14	Thrombus slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips 	05no's	

		<ul style="list-style-type: none"> Individually labeled Long lasting hard plastic storage case <p>Function: educational</p>		
15	Invasive carcinoma of the breast slide	<ul style="list-style-type: none"> Human Pathology Slides Rectangular glass slides size: 76.2*25.4*(1-1.2) mm Mounted on professional glass slide with sealed cover slips Individually labeled Long lasting hard plastic storage case <p>Function: educational</p>	05no's	
16	Atherosclerosis slide	<ul style="list-style-type: none"> Human Pathology Slides Rectangular glass slides size: 76.2*25.4*(1-1.2) mm Mounted on professional glass slide with sealed cover slips Individually labeled Long lasting hard plastic storage case <p>Function: educational</p>	05no's	
17	Peptic ulcer slide	<ul style="list-style-type: none"> Human Pathology Slides Rectangular glass slides size: 76.2*25.4*(1-1.2) mm 	05no's	

		<ul style="list-style-type: none"> • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case <p>Function: educational</p>		
18	Polycystic kidney slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case <p>Function: educational</p>	05no's	
19	Acute pyelonephritis slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case <p>Function: educational</p>	05no's	

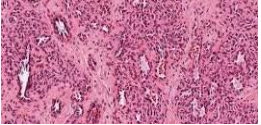

20	Acute AML (peripheral blood film) slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case <p>Function: educational</p>	05no's	
21	Toxic goiter slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case <p>Function: educational</p>	05no's	
22	Esophageal metaplasia slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled 	05no's	

		<ul style="list-style-type: none"> • Long lasting hard plastic storage case <p>Function: educational</p>		
23	Soft tissue lipoma slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case <p>Function: educational</p>	05no's	
24	Squamous cell carcinoma slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case <p>Function: educational</p>	05no's	

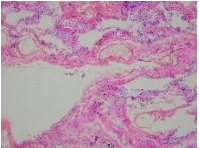

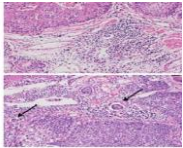

25	Colloid goiter slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case <p>Function: educational</p>	05no's	
26	Adenomyosis slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case <p>Function: educational</p>	05no's	
27	Chondroma slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled 	05no's	

		<ul style="list-style-type: none"> • Long lasting hard plastic storage case <p>Function: educational</p>		
28	Osteosarcoma slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case <p>Function: educational</p>	05no's	
29	Multinodular goiter slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case <p>Function: educational</p>	05no's	

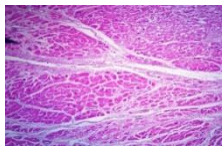

30	Liver cirrhosis slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case <p>Function: educational</p>	05no's	
31	Lobar pneumonia slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case <p>Function: educational</p>	05no's	
32	Infarction slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled 	05no's	

		<ul style="list-style-type: none"> • Long lasting hard plastic storage case <p>Function: educational</p>		
33	Schwannoma slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case <p>Function: educational</p>	05no's	
34	Capillary hemangioma slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case <p>Function: educational</p>	05no's	

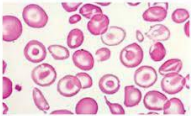

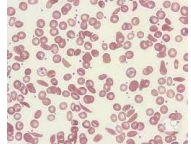

35	Adenoma slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case <p>Function: educational</p>	05no's	
36	Osteoclastoma slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case <p>Function: educational</p>	05no's	
37	Malignant melanoma slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled 	05no's	

		<ul style="list-style-type: none"> • Long lasting hard plastic storage case <p>Function: educational</p>		
38	Lung emphysema slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case <p>Function: educational</p>	05no's	
39	Squamous cell carcinoma of the lungs slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case <p>Function: educational</p>	05no's	

40	Small cell carcinoma of the lung slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case <p>Function: educational</p>	05no's	
41	Adenocarcinoma of the lung slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case <p>Function: educational</p>	05no's	
42	Myocarditis slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled 	05no's	

		<ul style="list-style-type: none"> • Long lasting hard plastic storage case <p>Function: educational</p>		
43	Myocardial infarction slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case <p>Function: educational</p>	05no's	
44	Infection endocarditis slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case <p>Function: educational</p>	05no's	

45	Myocardial hypertrophy slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case <p>Function: educational</p>	05no's	
46	Wilms tumor kidney slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case <p>Function: educational</p>	05no's	
47	Iron deficiency anemia (blood film) slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled 	05no's	

		<ul style="list-style-type: none"> • Long lasting hard plastic storage case <p>Function: educational</p>		
48	Beta thalassemia major (Blood film) slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case <p>Function: educational</p>	05no's	
49	Sickle cell anemia (blood film) slide	<ul style="list-style-type: none"> • Human Pathology Slides • Rectangular glass slides size: 76.2*25.4*(1-1.2) mm • Mounted on professional glass slide with sealed cover slips • Individually labeled • Long lasting hard plastic storage case <p>Function: educational</p>	05no's
