

TERMS OF REFERENCE

Project Dhiyaneru Branding

September 2022

Issued by:

Maldives Fund Management Corporation Ltd.

1. Background:

The Maldives Fund Management Corporation (MFMC) is mandated with the responsibilities of fulfilling national goals of development through increasing private sector investment with the aid of the government, to increase the wealth of the country, and to increase strategic investments.

2. Purpose of the project:

MFMC is seeking prospective firms to create a brand image for MFMC's upcoming safari vessel harbour and marina development project.

2.1. About the Project

The project will develop a safari harbor consisting of 100 berthing and 450 trot mooring facilities for safari vessels, fuelling facilities, water supply, storage, accommodation for crew members, and restaurants. The lagoon is located in Kaafu atoll, 15 minutes speed boat from Velana international Airport.

3. Objectives:

The overall objective of this assignment is the development and implementation of a brand identity, marketing strategy and the production of high-quality marketing materials with reference to the scope of the project.

4. Scope of Work:

The hired agency must work in collaboration with MFMC's marketing team on the following:

- 4.1. Establish the project's brand identity and create a brand identity standard manual or section in the brand book that governs the use of the identity.
- 4.2. Conceptualize and design the project's Logo, Colour Scheme, and Typography.
- 4.3. Design templates for social media posts to be for the following platforms: Instagram, Facebook, and Twitter.
- 4.4. Design templates for PowerPoint presentations, leaflets and brochures.
- 4.5. Design and develop a website (landing page) for the project.

5. Methodology

MFMC will provide a full explanation of the project and the brand image in mind to assist with visualization.

The agent should provide MFMC with 2 preliminary design concepts for the project, out of which one concept will be chosen. The agent should be able to take MFMC's comments and preferences into consideration and customize the concept to meet MFMC's requirements.

Once the concept is finalized, the agency must promptly deliver the requested deliverables including the work files so that MFMC may bring any required changes after the contract period with the agency has surpassed.
