**Located at the
world's 2nd largest
coffee producer**

Over a decade, we've been walking the path of marvellous taste and aroma with passion and endurance. We pride ourselves on products that have not only typical Vietnamese essences but also bring amazing journeys of flavour experience in every cup of coffee.

**A decade of
expertise**

Along the knowledge of how to charm and gain a strong position in the heart of coffee drinkers; An extended network of partners and suppliers we have build up during the years is also critical. Thanks to the abundant skillsets, we could meet the needs and assist our customers solving the challenges of their business through the years.

**Coffee Factory,
technology and art**

Besides invested roasting systems from Europe, auxiliary machines from reputable firms to support the production process and the application of international standards. Our staffs always have to sharpen their skills, knowledge, experiment thoroughly, and learn how to enjoy the values of this magic bean.

Products & Services

Coffee has always been the core and key product to us. Through the development of products for consumers that are especially popular with international customers. We expand to export and do outsource for domestic and foreign business customers. We also provide convenient customized packaged products such as filter bags, paper filters or more.

Our Brands

**Honee
Coffee**

Delivering harmonious coffee experience of a delicate, lively and compassionate connections from nature to nature, nature to us, and us to one another. Making this vast planet homely and intimate. A place of beauty and enjoyment.

REXSUN

A 'Keeper' of the simple, rustic and distinctive values of the Vietnamese coffee - the culture, etiquette and signature taste. It also played with reforming those tunes in many ways such as matching with other Vietnamese agricultural specialties.

**trây
nini**

Traynini focused on tropical agricultural products originating from Vietnam. With the national edge and benefits, we decided to expand into a flavourful and straightforward path. Simply fruity – pure and raw joy.

Valentina

Natural Bee Pollens Instant Coffee

Delivering a well-balanced, nourishing cup of milk-coffee, VALENTINA marries velvety smooth texture with mellow sweet taste and a hint of the local flora flavour (bee pollen from coffee plantations).

HƯƠNG CHỒN

Through years of study the civet cat, experiments on selecting the right coffees, blending and roasting techniques, and enjoying this legendary cup of joe; We created the products that retains and recreates the taste and aroma of Weasel coffee. On 2015, Hương Chồn (or Weasel Bean) first launched. Since then, Hương Chồn has gained its place in the heart of coffee lovers in Vietnam as well as in the world.

To savour Hương Chồn, one can choose the methods of brewing, time and space to one's liking. Since there is no restriction of how to achieve the elevated emotions, inner peace, by enjoying this simple pleasure - the small cup that contains the taste and flavours of Vietnam central highland.
