HISTORY OF Sumo's®

Gourmet

1995

START

Sumo's Gourmet started operating by opening kiosks and franchises by selling kaya balls and waffles

2000

Sumo's first factory took place in Cheras. Making our mark in Malaysia as the premix manufacturer and supplier

2015

Sumo's Gourmet began expanding its business through partnerships with hypermarkets including Lotus's, Aeon, Nsk Grocer, Econsave and many more.

2017

Launched the Sumo's Gourmet factory in Semenyih (which includes a showroom, training facility, center for research and development, and management office).

TODAY

With a strong background and depth of expertise spanning over 20 years. Sumos stands resolute as the leading Malaysia bakery premix, spread, jam, topping & glaze, beverages, soft serve, and snacks manufacturer.

ABOUT US

The Sumos Group of Companies has been a prominent manufacturer and supplier of premixes in Malaysia since 1995. Sumos' factory in Semenyih, which features an R&D center and management headquarters, was formally opened on May 1st, 2017. Sumos's products comply with Food Safety System Certification Scheme (FSSC 22000), Hazard Analysis Critical Control Points (HACCP), Jabatan Kemajuan Islam Malaysia (JAKIM) quality requirements, The Ministry of Environment, Science, Technology, and Innovation (MESTI), and The Malaysia Food Law. Sumos is a one-stop shop that provides food and drink to domestic and international hypermarkets, supermarkets, restaurants, hotels, coffee shops, bubble tea shops, caterers, juice bars, mobile F&Bs, bars, and other establishments. Sumos is always looking for ways to innovate better and currently focuses on R&D for machinery. Sumos is a market leader with 20 years of vast experience and understanding.

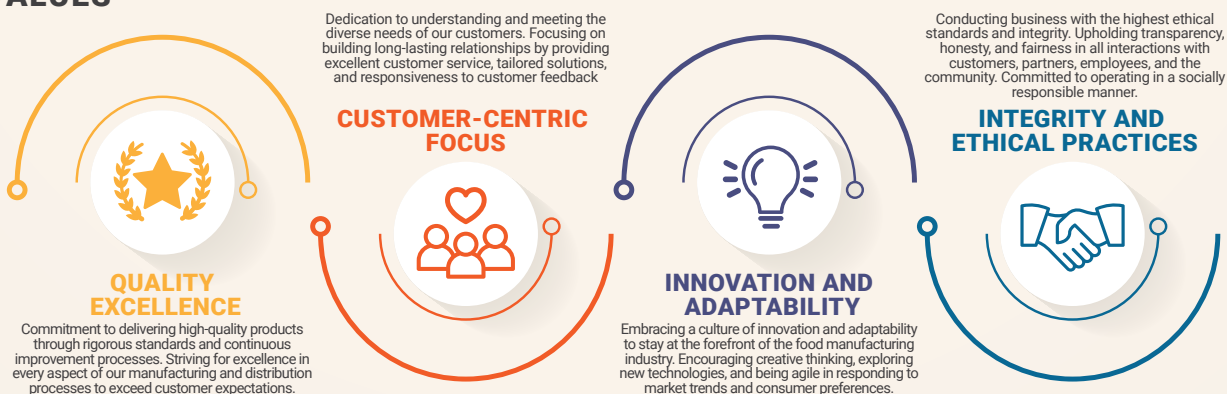

VISION

MISSION

To provide high-quality food products that meet the diverse needs of our customers while upholding the highest standards of quality, safety, and ethical practices.

CORE VALUES

TECHNOLOGY & PRODUCTS

Food and Beverage products selected with extensive test and researched before importing by Sumos for reliable and safe to use or consume. Sumos products are highly recognized by their customers by the way they handle their products according to standards. Sumos are well accepted by many because of the training provided in the right way of handling its equipment, ingredients and the right SOP.

For better service to Sumos customers, dealers and resellers, Sumos invited some product specialists or trainers from overseas such as Thailand, China, Korea, Taiwan to train them on the right way to maintain their equipment, to process the food and beverage in the correct way. The product specialist is also helping Sumos to do Research and Development for new and upgrading of existing products.

PREMIX

Bakery Ingredients

Want to know our secret to a delicious waffle? The key ingredients in a waffle are wheat flour, sugar, leavening agent, salt, and an emulsifier, which is an approved food conditioner. For consistently excellent baking results, use our high-quality premix bakery ingredients!

A top-down view of two soft-serve ice cream cones on a dark, textured surface. The cone on the left is topped with a swirl of chocolate ice cream. The cone on the right is topped with a swirl of white ice cream with pink ribbons. Scattered around the cones are fresh raspberries, blueberries, blackberries, and sprigs of mint. A purple circular graphic is in the top left corner, containing the text 'PREMIX Soft Serve Ice Cream'. A purple rectangular box is at the bottom containing descriptive text about the product.

PREMIX

Soft Serve Ice Cream

Sumo's soft serve ice cream can be obtained in a powder mix form. This is an improved version over the liquid mix. It has the advantage of easy distribution and can be stored for long periods of time without spoiling. Powder mix form is easy to take care, only need to store in room temperature and helps distributor save on the storage space. Water must be added prior being churned and frozen.

Malt Chocolate Soft Serve Ice Cream Premix

Packing	Shelf Life	Carton dimension (mm)

The image is a top-down view of a light grey, textured surface. In the upper right, a slice of white bread is placed on a wooden cutting board, covered in a thick, dark brown spread. Another slice of white bread, also covered in the same spread, is positioned in the lower left. In the bottom right corner, there is a glass jar filled with the spread, showing a swirl on its surface. Several whole hazelnuts are scattered around the bread and the jar. A red circular graphic is located in the upper left, containing the brand name and product type.

DeLiz

SPREAD

Embark on a journey of flavor and delight as we explore a spread series that transcends the ordinary. From the luscious plains of hazelnut groves in Italy to the rich cocoa fields of Belgium, and the serene tea gardens of Japan, our spread series promises a symphony of tastes that will elevate your everyday indulgence.

Ingredients

A still life composition of various ingredients. In the center is a large yellow bowl filled with white flour. To its right is a wooden bowl filled with yellow corn kernels. Behind the flour bowl is a glass oil dispenser with a wooden handle and stopper, containing golden oil. In the foreground, a block of butter sits on a white plate. To the left, a small white bowl and a cinnamon stick are partially visible. The background features a woven basket and a rustic stone wall.

The use of high-quality ingredients will enhance the flavour profile of the food, making it more enjoyable in every bite. Choose only the best with Sumo's Gourmet. We have a top-quality selection of ingredients for you to explore.
