COMPANY PROFILE

MARINER GROUP COMPANY LIMITED

About us

We started our business as a wholesaler of fresh seafood in Sumut Sakhon area, where the heart of seafood market of Thailand is located. Given our expertise in seafood business for more than 40 years, we have become one of the major suppliers of the industry. Our customers are across seafood sectors ranging from small local business to the leader of manufacturers and exporters of seafood products. In 2003 Mariner Limited Partnership was found to serve larger numbers of customers and to emphasize our growing business.

To serve the extended number of global seafood consumption, we decided to expand our business to the processed seafood area where we can apply our expertise to invent new products according to consumer lifestyles today.

MARINER GROUP COMPANY LIMITED

About us

Mariner Group Co., Ltd. was found in 2009 from the perfect combination of seafood experts and the powerful and thoughtful young generation. Our appetizing products are developed with an authentic and unique taste. Today our company produces and distributes the product including natural seafood snacks and innovative seafood toppings under brand “Chao-Lay”; which means fisherman in Thai.
