

## Who are we and What we do

Established in 1986, On-Green Produces Co., Ltd. (OGC) is one of the leading manufacturer and exporter for canned seafood based in Thailand.

For more than 35 years of experience in canning industry, we have gained a strong foothold in supplying our premium quality products to customers domestically and globally under private labels and our own brands.

Our main products encompass canned sardines, canned mackerel and canned tuna in flavours. We work closely with our customers to develop the products that finally meet their requirements. Many of our sauces are especially created for specific markets and tastes.

## We are your Reliable Partner

Our quality and food safety are considered as the fundamental cores through our supply chain. Our products are produced under international food safety standards. **GMP HACCP and HALAL** systems are effectively implemented to entrust our quality control.
