INTRODUCTION

Sun Prize (Thailand) Co.,Ltd. has been founded since 29 August 2014 by Mr. Channarong. At first, we started our business as a trader for dried fruits. However since there are a lot of quality problems, we decided to establish our own factory in 2021. We have developed new products according to customer's inquiries. We have many customers all over the world such as Russia, Europe, America, Australia and Asia.

The perspective is from below, looking up at the intricate steel beams and rivets. Several power lines stretch diagonally across the upper right portion of the frame. A solid red rectangular box is superimposed over the center of the image, containing the text "OUR VISION" in white, bold, sans-serif capital letters.
