ALICOM import-export s.r.l.

Alicom SRL was founded in 1990 in South Italy, the heart of the Mediterranean area. Since then it has been exporting abroad macaroni, tomatoes, beans, and peas. Mara is a continuous and constant screening of goods production in the area, in search for food traditions unknown to the mass market, performing daily controls which guarantee the genuineness of its products.

Alicom SRL unique selling proposal is at the top end for its products, prices, and services.

Thanks to its references Alicom is specialized in three channels: Ho.Re.Ca., Retail and Wholesale. The company is exporting worldwide and Mara brand is in continuous development.

Mara Goodness in the World

Alicom SRL exports its products to the international market, thanks to a careful logistic and administrative organization.
