Did you know ?

Skyr, a must-try from Iceland, is famous for its deliciously tender texture and subtle acid taste. Made from 100% Luxembourg milk, Luxlait Skyr is also rich in protein. Whether served on its own or with a meal, our Skyr is perfect for any occasion. Enjoy it as it is, or add a touch of freshness with fresh fruit, a sweet note with jam, or a crunchy touch with a mixture of oat flakes, cereals and dried fruit.
