

**dabex**

*your FMCG supplier*

## Dabex specializes in **supplying** **FMCG-branded products** around the world

d

Our offer includes products from the following categories:

- confectionery,
- snacks,
- candies,
- coffee / tea
- soft drinks,
- beers,
- groceries,
- pet food,
- households,
- personal care products.

It allows our clients to **buy everything** they need **in one place**.

We're located in the southern part of Poland in Zawiercie. We have **our own logistics center** which is operated by our **experienced staff**. They take care of each order to ensure it is secured and loaded properly to reach its destination in unchanged quality.

Our offer includes **several thousand products**. The most popular items we keep regularly **in stock**. It is convenient for our clients because they don't need to worry about delays, the expiry date is always known and all information about the product is available immediately.

### Stickering service

If you need text on the product in your language we will take care of it. We offer white and colorful stickers, we do hand stickering and machine stickering of soft drinks. So you can be sure that goods look good and are safely packed.

### Own logistics center

We use our own warehouse (4500m<sup>2</sup>) operated by experienced team.

### Products from different categories

Confectionery, snacks, coffee, soft drinks, households, pet food and more...

### Competitive prices

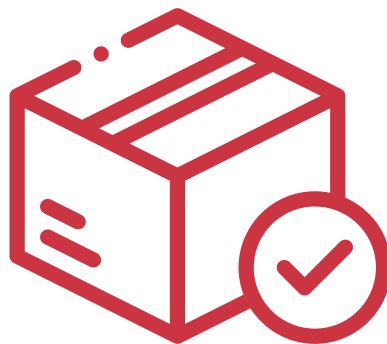

Just check it out by checking our offer.

### Reliable company with more than 25 years on the market

You can easily check our company on the internet and be sure that your goods will be delivered to you and they are original.
