

# DREAM FIELD

Your One-Stop Beverage Solution Provider —

*Bubble Tea Shop | Café | Restaurant | Professional Bar*

## ABOUT DREAM FIELD

Founded in 2010, one of the leading fruit puree and bubble tea materials manufacturers in Taiwan, where a wide variety of ecological types and rich products are produced. Retaining the naturalness of the ingredients and sharing the wonderful taste from this treasure island is the happiness that DreamField wants to convey.

## Environmental-Friendly Production Plants

DreamField's high-quality beverage products are all directly produced by the factory. Through visiting the agricultural production areas to select raw materials, formulate flavors that represent the flavor of Taiwan, and then conduct research & development testing to create styles of unique products. Productions plants are equipped with more than thousands of solar panels to ensure sustainable energy is used as an act. Moreover, our production facilities are certified with three major food certifications: ISO22000 (food safety management system), HACCP (Hazard Analysis Important Control Points), and Halal (Certifications of products in compliance with the precepts of Islamic law).
