HITS DIFFERENT

  @NAWHALS

Since its creation in 2003, Nawhal's motto has remained the same: satisfy consumers with a wide range of high quality sauces.

Our range of sauces includes more than 50 recipes inspired by the flavours of the world, available in a wide variety of formats.

Keeping up with the market is essential for customer loyalty. This is why we are constantly developing new sauces, thanks to a dynamic R&D department.

Listening to consumers and professionals is the guiding principle of our innovation and development policy!
