Simplify Cooking • Amplify Flavor

ABOUT US

Mewah Group is a leading global food and agri-business with a strong presence across Malaysia, Singapore, China, and Indonesia, operating refineries and processing facilities. Established in the 1950s, Mewah is listed on the Mainboard of the Singapore Exchange Securities Trading Limited. The Group manages an extensive portfolio, including edible oil refineries, food manufacturing plants for bakery and confectionery products, biodiesel facility, premixes plant, soap factory, and dairy processing unit.

MOI International Singapore Pte Ltd, a subsidiary of Mewah Group, specializes in the consumer pack segment. It markets and distributes a wide range of Fast-Moving Consumer Goods (FMCG), including rice, cashew, dairy products, food premixes, seasonings, and soap. These products are sold in over 100 countries through a well-established global sales and distribution network, backed by its diverse portfolio of brands, including the flagship MOI brand.
