*handcrafted in Armenia*

A flat-lay composition on a solid yellow background. In the top left, a clear tea bag with a white string and a round wooden tag is visible. To its right is a fresh orange slice and a sprig of mint. In the center, a white box of 'TEAYAN' tea stands upright, featuring a logo and the text 'EXCLUSIVE HERBAL TEA handcrafted in Armenia'. To the right of the box is a smaller, tilted box of 'REGENCY BOUQUET' tea. In the bottom left, a silver spoon lies diagonally. At the bottom center, there are several yellow, crystalline sugar pieces. The overall aesthetic is clean and natural, emphasizing the ingredients and the brand's identity.
