Zain International Group for Industrial & Commercial Investments  
زين گروب العالمية للإستثمارات الصناعية والتجارية

*World Of Trust*

# Since

# 1947

Zain Group was founded in **1947** in Erbil, Iraq, and has emerged as a prominent player in the consumer goods manufacturing sector within the country. Comprising seven diversified companies, the group has played a significant role in advancing production development in Iraq.

With more than **150 products** in different categories, Zain Group has been serving our community and Iraqi market for almost 8 decades with the highest quality backed up by strict quality control and monitoring.

Zain SnaX, one of Zain Group's Companies that is equipped with the biggest chips production factory in Iraq established in **2006**, in Erbil. The factory produces **4** main chips' brands, Dalya, Zain, Nice, and Olo.

Our factory consumes more than **150 tons** of potato per day to produce our chips from fresh and natural potatoes to be able to provide our consumers with the best experience and tastiest products. The types of Potatoes we choose and consume are the best and of highest qualities of potatoes. Our factory has several check points for monitoring the quality of the potatoes and chips produced in order to be able to provide the highest quality of products we can offer.

**With Dalya,** experience  
the real taste of snacks chips to  
the max.
