

Wholesale & Foodservice

Here at Barilla Bay we pride ourselves on providing the finest Tasmanian oysters and fish to discerning chefs and gourmet supermarkets. Our oysters are sourced directly from the pristine waters of Boomer Bay, Dunalley, King George Sound, and Pittwater, and are a testament to quality and freshness.

Daily Harvest

Our oysters are harvested, shucked, and prepared at our state-of-the-art facility each day, ensuring that only the freshest products make it to your table. Whether in Tasmania or Melbourne, we deliver an unmatched taste experience directly from the ocean to you.

Excellence in Wholesale Distribution

Not just retail; our reach extends across Australia with our weekly shipments of whole live oysters. Perfect for high-volume needs, we ensure that our oysters arrive at your doorstep vibrant and brimming with the natural freshness of our pristine waterways.

Innovative Freezing Technology

With our advanced blast freezing technology, we offer superb half-shell frozen oysters, capturing their peak flavor and texture. This method is ideal for chefs and businesses looking to provide consistent quality and supply year-round.
