

OIL PRESS

8800 MODEL

INSTA-PRO INTERNATIONAL:
NURTURING EVERY BIT OF GOOD

USA built, precision-crafted equipment engineered
for minimal down time and decades of use.

INSTA-PRO'S WORLD-CLASS SOLUTIONS enhance profits for growth-minded operations, including our newest precision-built oil press that maximizes oil-seed product value ideal for organic, specialty and identity-preserved oilseeds. The Insta-Pro model 8800 oil press is an innovative, chemical-free processing solution when coupled with the Model 9000 extruder providing a nutrient-dense product with exceptional ROI for producers of meat, milk and eggs.

FEATURES

- 10-to-1 cage length to cage diameter ratio
- Cast cage assembly
- Reverse-operation capability for ease of clean out
- Direct gear drive with external thrust housing
- Premium efficiency motor (95% efficient)
- Combine with the Model 9000 high-shear dry extruder to form the unique ExPress® System

BENEFITS

- Requires 65% less sq. footage compared to using 2x Model 5005 presses & 4x Model 2000 extruders
- Cost-efficient operation
- Low cost of ownership

SPECIFICATIONS

Electrical can be configured to specific needs

MODEL	POWER	INPUT CAPACITY	WEIGHT	DIMENSIONS
