THE STEIN FAMILY STORY

The Robert Stein Story

Rooted in Heritage, Established in the 1970s by Bob Stein, our winemaking legacy extends to Johann Stein in 1838, introducing Riesling to Australia. Today, led by third-generation winemaker Jacob, our aged vines produce some of Mudgee's most awarded wines.

Jacob Stein, our chief winemaker, credits Mudgee's optimal conditions for our award-winning wines. Our Top Red 5 Stars by James Halliday is a testament to our commitment to quality & the distinct regional character embedded in every bottle.

The family vineyard which is now over 45 years old, is seeing its "old vines" produce exceptional quality fruit for wine. Jacob attributes much of his wine making success to the excellent vineyard site selected by his grandfather and growing conditions of the Mudgee region. The region has a continental climate with warm days and cool nights, combined with excellent soil profiles are some of the attributes that help Mudgee produce great wines with a distinct regional character"

Family Operated

This family tradition of winemaking has since been continued by Robert and Lorna's grandson, Jacob Stein, returning to the family business in 2009 as chief winemaker. Jacob returned to Mudgee, after having worked 7 vintages both abroad and nationally, to add a new dimension to the family winemaking business.

Stein Farm Produce

Our mission to create a selection of charcuterie meats stems from our commitment to ethical & sustainable farming for creating locally sourced ingredients.

Our regenerative farming practices encompass a working farm surrounding our vineyard, where Angus Cattle, Dorper Sheep & Free Range Berkshire Pigs graze on native grasses & winter crops. We also source surplus from other producers in the region including spent grain from local brewers & by-product Whey from cheese producers.

Reserve Vintage Fortified

Farm Series

The Farm Series range is our entry level range offering great value for money. The Farm Series label caricatures were created by local Mudgee artist, Sam Paine, and reflect the animals we have on the farm here in Mudgee.

Varietal
SRG (Supporting Regional Growers)
Riesling
Rose
Merlot
Shiraz

Blu Hen Series

The story of the blü hen Series begins with the journey of Mudgee Winemaker Jacob Stein to the great wine regions of the world, on a quest to develop his winecraft . Weaving into his rich family tapestry of winemaking and balancing it with his personal passion for innovation, an idea blooms.

Working together with his talented winery and vineyard team at Robert Stein, he creates a range of innovative, vibrant, beautifully-balanced and tantalising new styles of Mudgee wines.

Robert Stein blu hen Series
Riesling
Dry Rose
Shiraz Riesling
Barbera
Montepulciano
