Who We Are?

Our vision is to become a world class company to provide a clean and safe food for international market. Established in November 2011, PT. Indowooyang is proudly striving to help our customers with highest satisfaction.

From our humble beginning, we ultimately focus on producing frozen sweet potato product with variations such as paste, cuts, and many others.

In 2018, we shipped out our first eggplant product as the demand of good quality eggplant risen. As we acquire good raw material for Japan, South Korea and the USA market. Hope to provide our customers with exclusive products with knowledge and manufacturing process that would bring benefits to them.

With our highly experienced team, we are certified with FSSC 22000 (Europe), HACCP (Europe), USFDA and Halal.

- **We believe success would come by serving our valued customers the very best quality and safe product**

Why Indowooyang?

Certification on Products and Safety

With years of experience and practice in this business, we continuously ensure to have our products and process assessed in a competent manner. Over the course of the business, we successfully gain FSSC 22000, HACCP, USFDA and Halal Certification.

Commitment to Quality and Safety

Customer's satisfaction is our ultimate priority. We achieve this goal by assuring the highest quality and safety through our manufacturing process.

Driven by Innovation

Innovation is our key driver to striving into international market. By dedicating our time in investing in research and development of products in responding the needs of our customers.
