## ABOUT OUR COMPANY

At KompoPack, we keep quality as top-most priority for our customers. We focus solely on Compostable, plant-based tableware and packaging solutions. Come partner with us to make single-use plastic obsolete, and reclaim our environment by using tableware and packaging made from materials that nature itself offers to us.

## OUR VISION

Become earth's most customer centric brand for sustainable packaging solutions.

## OUR MISSION

Replace single-use plastic products usage with Compostable, Plant-based materials across the globe. Make simple, smart and sustainable tableware and packaging products that resonate closely with nature.
