welcome.nicolai.com

Since 1843 Nicolai Trafile always combined the tradition, nourished by the passion for our job, with the constant updating of technical processes, to supply a fast all-round service that meets the productive requirements of your and all over the world Pasta Plants.

Manufacturing Company of **DIES** and **INSERTS** for **PASTA & SNACK** productions, **DIE WASHING MACHINES** for short and long goods dies, **AUTOMATIC PENNE CUTTERS**, **STAMPING MACHINES** and **ALL ACCESSORIES**.

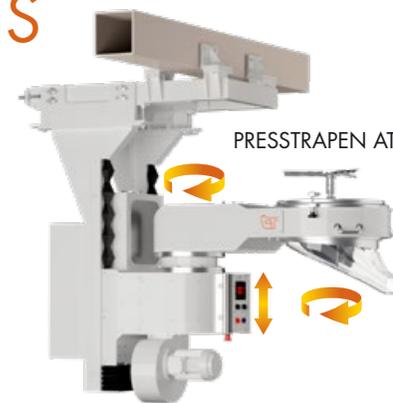

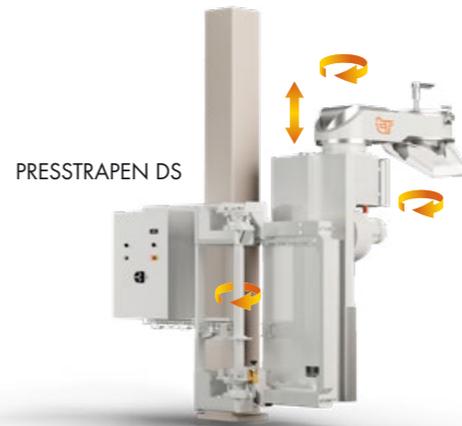

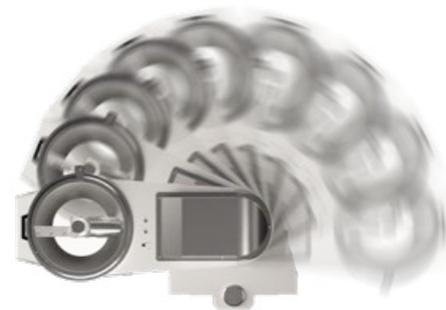

RELATIONSHIP

THE RELATIONSHIP with customers plays an important role in the die production and the close collaboration and the trust between the dies manufacturer and the Research and Developments of Pasta Factories are essential elements in the determination of your pasta's uniqueness in its various shapes and to the least details.

Our ultimate goal is not only to provide dies and machines with high quality, but also to assist our clients carefully both before and after the sale, maintaining a cooperative relationship continues, to join the service even the ability to listen to your suggestions. This helps to improve and increase our production to date shows to be of high quality and durability.

TRAVELS THE WORLD

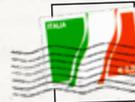

NICCOLAI TRAFILE
MADE IN ITALY, SINCE 1843

Since 1843 our
journey together continues,
because it is only with
the perfect shape that
you can get everywhere.

Thanks,

La Pasta
