Story

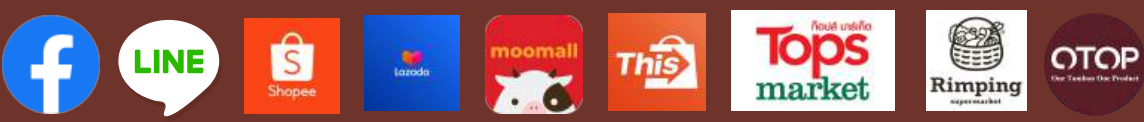

Phatthanakit Bee Farm.,LTD was established in 1987 in a village in Saraphi District, Chiang Mai. The owner of the farm is Mr. Bancha Natekhirikarn. He has over 30 years of experience working as a beekeeper and is certified according to good agricultural practices (GAP)standard.

Mr. Bancha Nathikirikan began with 200 beehives, eventually developing the beekeeping method and increasing the number of beehives by practicing each step independently. As a result, he has over 30 years of expertise and is quite competent at beekeeping. Currently, there are over 5,000 beehives.
