

**R. MONKHORN
FROZEN FOOD**

R. MONKHORN FROZEN FOOD CO., LTD

is a tuna processing company. We were established in 2005. The factory is located in Samut Sakhon province. R. Monkhorn Frozen Food is a family-owned company, which has over 10 years experience in seafood processing.

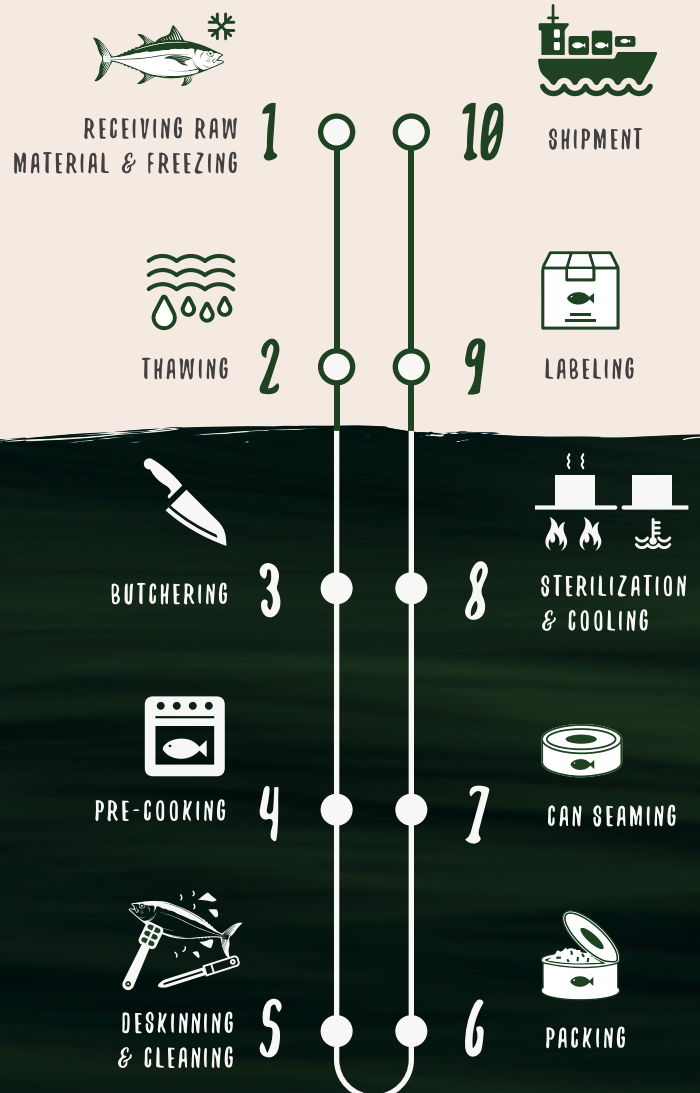

The company started its business processing tuna loin for domestic market but over the years we continued to grow and expanded into a wide variety of product range including tuna loin, canned tuna and value-added products.

There are around 500 employees with production site of 16,000 SQM and we can produce up to 70 MT per day. Our production facility is equipped with the most advanced manufacturing technologies to ensure top quality products. We supply our products to global market, our main markets are Middle East, Africa, Asia and other markets all over the world.

QUALITY STANDARD

Our company strives to produce and deliver high quality & affordable products to our customers. We focus on sourcing premium quality ingredients/ raw materials and continuously improve & develop manufacturing process to achieve high level of customer satisfaction. Our quality control goes beyond just production process; we also apply stringent control to every stage from production to shipment so that the customers can be assured of the highest quality products.

WE ARE CERTIFIED WITH

OUR PRODUCTS

At present, R.Monkhorn Frozen Food Co., Ltd owns extensive range of products that can serve different needs of our customers.

CANNED TUNA

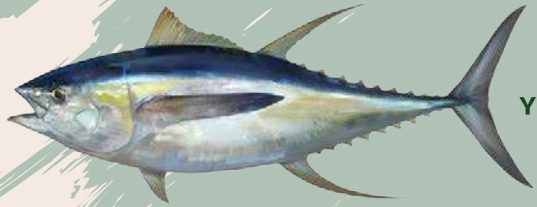

We use tuna loins that produced according to strict quality control guidelines. The product specification can be adjusted to meet customer demand and specific requirement.
