SAMROIYOD CORPORATION LTD.

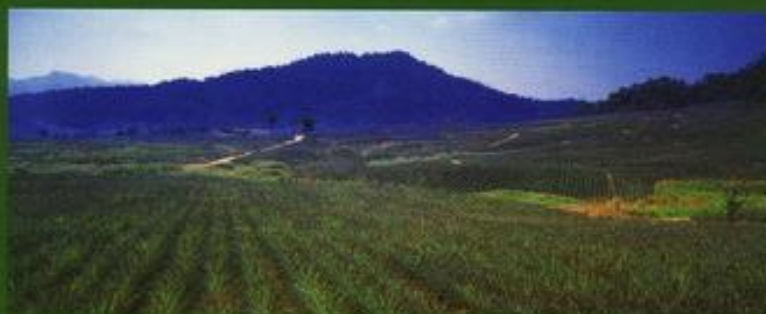

WELCOME TO SAMROIYOD CORPORATION

Samroiody has been established since 1978, promoted by the Board of Investment and fully approved by the Thai Industrial standards Institute.

Samroiody has been assessed and certified as meeting the requirements of Hazard Analysis and Critical Control Point (HACCP) System, ISO 9001:2000, Good Manufacturing Practice (GMP) and International Food Standards (IFS)

OUR PLANTATION

At Samroiody, we have the advantage of full production control at our own plantation, which ensures quality supplies of fruit all year round. Our pineapple plantation in the Prachuabkirkhan province in Thailand, is know around the world as the home of succulent pineapple with the finest quality and superb taste. And we can ensure that only the best quality fruits are selected for processing.

TECHNOLOGY

In our modern factory we employ state-of-the-art technology, operated by our professionally trained specialists. Our fully equipped laboratory ensures that all quality control processes are adhered to, and that sanitary and environmental issues are always under tight control.

QUALITY CONTROL

Samroiody is committed to providing the highest quality products. We apply stringent quality control checks throughout the entire production process.

ON-TIME DELIVERY

At Samroiody we are not just committed to the best quality products in the market, but also strive to ensure that our delivery commitments to our customers are always achieved on time.

"SAMROIYOD THE NAME YOU CAN RELY ON"

PINEAPPLE PRODUCTION

Samroi yod specializes in producing a wide range of pineapple products, and can supply these in many forms including canned, pouched, aseptic, frozen, concentrated juice and dehydrated.

Thailand's tropical climate is ideal for fruit cultivation. The Thai people have a long history in the production of fine fruits and Thailand is renowned for producing high quality fruit that is enjoyed throughout the world.

Samroi yod corporation Ltd., is a leading manufacturer and exporter of tropical fruits and we are proud to offer our wide range of quality fruit products which include :

-  CANNED FRUITS
-  DEHYDRATED FRUITS
-  FROZEN FRUITS
-  PINEAPPLE JUICE CONCENTRATE
-  POUCHED FRUITS
-  ASEPTIC FRUITS

We use only the best quality raw materials from our own plantations and contracted suppliers of **pineapple, mango, papaya, cantaloupe, jackfruit, coconut, guava, banana, ginger, rambutan, longan and aloe vera.** These fruits can be supplied in many variations depending on our customer requirements.

Our mission is to continually develop innovative techniques and methods to improve our high quality standards to meet our customer's needs. We employ the latest technology and are constantly setting worldwide standards for quality and taste of tropical fruit production.
