

Diverse Packaging Size and Material

We understand that a drink’s packaging is a crucial success factor. Therefore, after years of research and development, Tan Do has developed many packaging types with the best market fit, broad consumer appeals and cost optimization. In addition, we also provide choices between Tray and Carton packing types.

Aluminum can 330ml
24 cans/ tray

PET bottle 500ml

OEM - ODM - PRIVATE LABEL PROCESS

Understanding

Upon receiving your requests, we analyze your formula, packaging, labeling needs to tailor the optimal solution.

Feedback & Adjustment

We refine formulations and packaging based on your input to ensure the perfect fit.

Sample Development

Let us create your perfect prototype: our R&D team delivers high-quality samples, at no production costs.

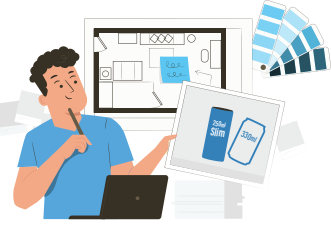

Quotation

Receive a transparent, detailed cost breakdown to plan your investment efficiently.

Product Label and Packaging Design

Our expert designers create market-ready packaging and branding solutions—free of charge.

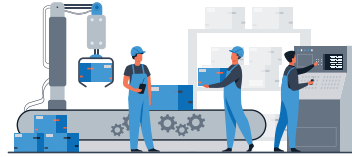

Contract & Deposit

Your peace of mind is our priority. Our streamlined, secure agreement ensures smooth orders and strong trust.

Production

Advanced facilities and strict quality control ensure our efficient, high-quality beverage manufacturing.

Logistics & Global Shipping

We handle packaging, loading, and global shipping with precision and compliance.

Ongoing Support and Partnership

Beyond production, we provide continuous assistance to support your brand's success.

Tan Do Beverage - A trusted partner for 300+ global brands

1996

Since

5

Continents

25+

Years

100+

Countries

Established in 1996, Tan Do Beverage is now a major OEM/Private Label beverage manufacturer in Vietnam. We work closely with international beverage companies to create market-dominating products. With deep expertise working with tropical and innovative beverages such as Fruit Juices, Coconut Water, Coffee Drinks, and Aloe Vera Drinks, we are sure to contribute to our partners' success.

More than 300 partners across 100 countries

Our progress in the beverage market has been exponential. We have exported our beverages to over 100 countries for 300+ companies, many of whom have long-lasting partnerships with us. This is all thanks to our commitment to superior quality, consistency and global standards.

Commitment to quality

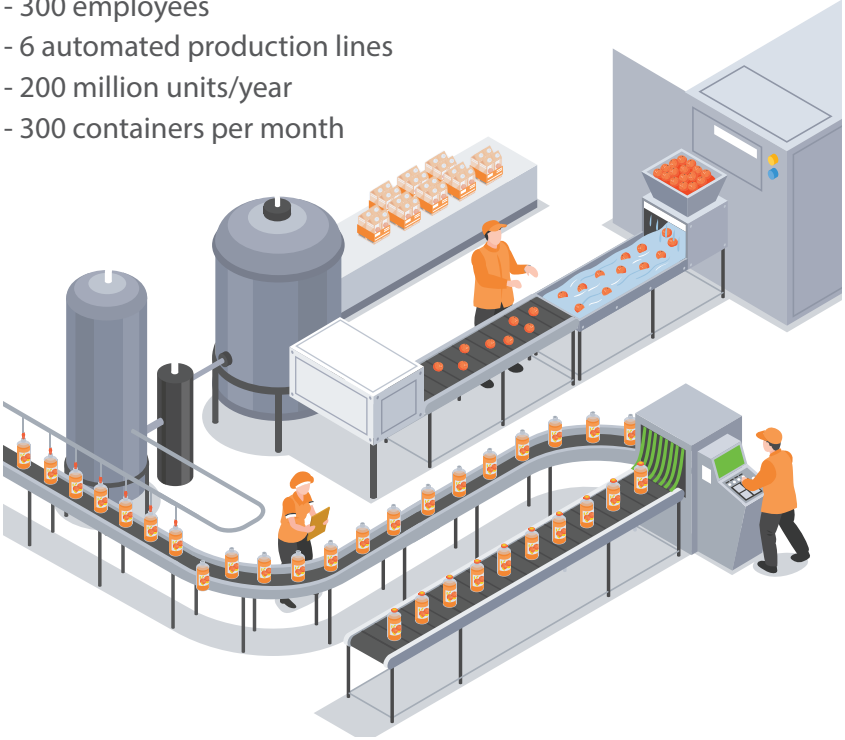

We hold many essential certificates for an international beverage exporter: HALAL GCC, HALAL JAKIM, HACCP, ISO, FSSC, BRC and FDA Registration. Customers who use our service can reach even the toughest markets like the US, the EU, Korea, Canada and Australia. Our credibility and quality is highly appreciated by customers in all these markets.

Manufacturing capabilities

Tan Do owns 2 factories with a total floor plan of 25000m², equipped with industry leading filling/bottling technologies. Thanks to this, we can supply millions of products to customers each month, while still maintaining consistent standards for highly demanding markets.

- 2 factories
- 300 employees
- 6 automated production lines
- 200 million units/year
- 300 containers per month

We take care of all your brand's needs.
