Established in 1996, Tan Do Beverage is now a major OEM/Private Label beverage manufacturer in Vietnam. We work closely with international beverage companies to create market-dominating products. With deep expertise working with tropical and innovative beverages such as Fruit Juices, Coconut Water, Coffee Drinks, and Aloe Vera Drinks, we are sure to contribute to our partners' success.

## More than 300 partners across 100 countries

Our progress in the beverage market has been exponential. We have exported our beverages to over 100 countries for 300+ companies, many of whom have long-lasting partnerships with us. This is all thanks to our commitment to superior quality, consistency and global standards.

## Commitment to quality

We hold many essential certificates for an international beverage exporter: HALAL GCC, HALAL JAKIM, HACCP, ISO, FSSC, BRC and FDA Registration. Customers who use our service can reach even the toughest markets like the US, the EU, Korea, Canada and Australia. Our credibility and quality is highly appreciated by customers in all these markets.

## Diverse Packaging Size and Material

From years of experience in the beverage industry, Tan Do understands that a drink's packaging is a crucial success factor. Therefore, after years of research and development, Tan Do has developed many packaging types with the best market fit, broad consumer appeals and cost optimization. In addition, we also provide choices between Tray and Carton packaging.
