330ml

INGREDIENTS

GREEN NATURAL POWER

Discover GO&FUN®, the groundbreaking natural Green Energy Drink that's changing the way you power up! Our unique blend of plant-based ingredients delivers an energizing boost that tastes like nothing else.

What sets us apart is our powerful combination of four dry vegetal extracts: Guarana, Ginseng, Maté, and Green Tea, refined with essential Vitamins B and C. Unlike conventional energy drinks, GO&FUN® contains no artificial stimulants like Taurine or glucuronolactone for a clean, green, and mean power supply.

GUARANÁ

A natural energiser that enhances heart and muscle performance, while boosting your stamina to power through fatigue.

GREEN TEA

Natural source of caffeine with tonic-stimulating and antioxidant effects.

GINSENG

Restores energy, optimises mental performance and reduces stress.

MATÉ

Natural caffeine that stimulates the central nervous system.
