

Al Ameerah Food Industries

PRODUCT PORTFOLIO

About Al Ameera

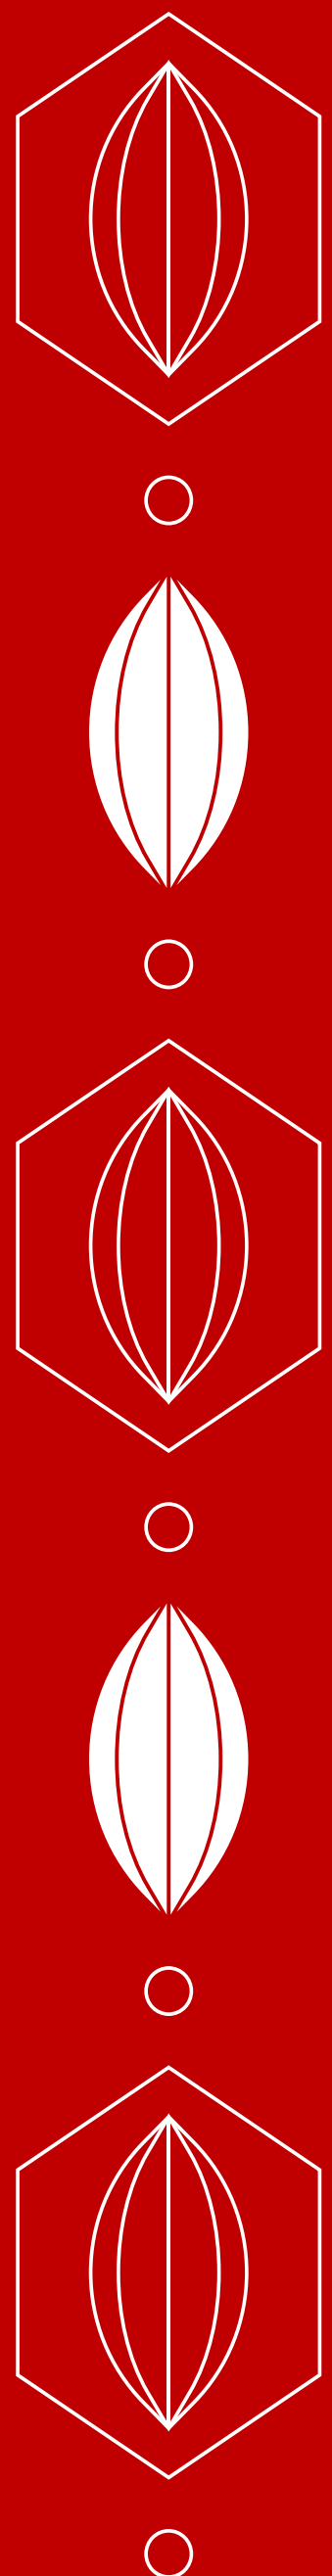

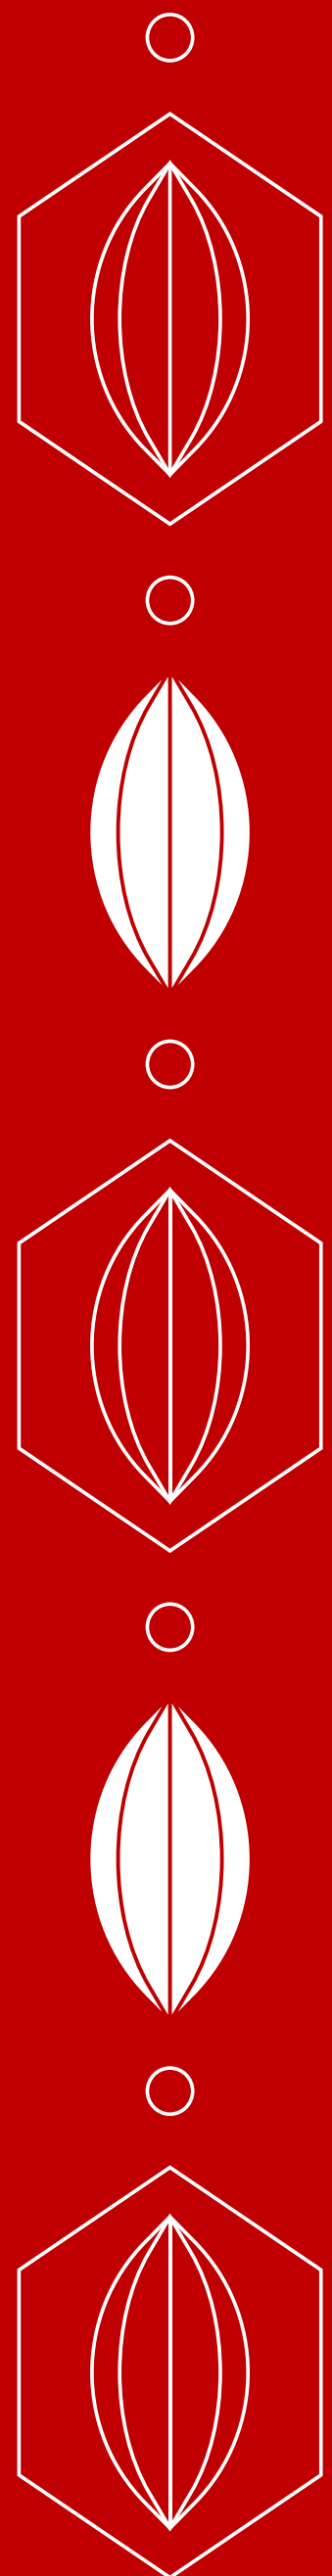

Established in 2008, the company is UAE's largest food companies that trades in products produced in its facilities. Our quality plant-based products are renowned for their sustainability and added value. We are focused on building brands, adapting to market trends, customised requirements and ensuring excellent customer satisfaction.

Our aim is to cater to the growing need of high-quality plant-based products, while maintaining a competitive edge. We have built a portfolio of brands and products that can be found across the retail shelves in the UAE. Our product ranges from Tahina, Halawa, Spreads and Olive Oil.

A taste of
Tradition.
Crafted to
Perfection.

AL AMEERA

Our Products

TAHINA

A sesame-based condiment that's made from toasted sesame. It's a major ingredient in hummus, baba ghanosh and Halawa.

SPREADS

We have two types of spreads; halawa spread with milk added to make it creamy and a hazelnut chocolate spread that has a nutty flavour.

HALAWA

A sesame-based paste with add sugar – a confectionary. It's made in slabs, with nuts, usually pistachios and served for breakfast, dessert or as a snack.

OLIVE OIL

Our olive oil ranges from Extra Virgin Olive Oil, Virgin Olive Oil, Pomace Olive Oil and Olive Oil blended with refined oils.

DELINI

A snack that comes in a pack with baked breadsticks and a sweet dip that's made from sesame and hazelnut. It's suitable for all ages and presents itself as a healthier alternative than other products on the market.

Tahina

All-natural Tahina, crafted from Pure sesame seeds

Tahina, also commonly known as Tahini, is known for its nutritional advantages. It provides a natural source of healthy fats, proteins, and essential vitamins and minerals. A cornerstone of Middle Eastern cuisine, it is the base ingredient for popular dishes like Hummus and baba ghanoush.

Al Ameera upholds the traditional Tahina production method through an advanced process, ensuring the preservation of its authentic taste and quality. Our Tahina is crafted from the finest sesame seeds, free from additives, preservatives, or artificial colors. It enhances both the quality and authenticity of dishes and culinary preparations.

OUR TAHINA SKU'S COME IN 400GM, 600GM, 900GM, 1KG, 7KG, 18KG PLASTIC JARS AND METAL TIN CONTAINERS

Halawa

Crafted and sourced from sesame seeds

Halawa is a traditional sweet made from a blend of ingredients, including tahini, sugar, and assorted nuts or flavorings. This snack is rich in nutrients like calcium, magnesium, and energy. It's popular confection amongst Arabs and East Asians because of its dense, semi-solid texture and a rich, nutty flavor. Halawa has established itself as a cherished staple at breakfast tables across the Middle East and Central Asia.

Our Halawa is crafted and sourced from quality sesame seeds, setting it apart from other brands on the market. Our flavours are Plain, Chocolate and Pistachio.

OUR HALAWA SKU'S COME IN 200GM, 400GM, 700GM, 1KG, 4.5KG, 15KG PLASTIC TUBS AND METAL TIN CONTAINERS

Spreads

A healthier spread for children and adults

A new taste and form has emerged from Halawa, transforming it into a spread. It blends traditional Halawa with modern innovation, particularly appealing to a younger market, children in particular, while preserving the essence of its original recipe and health benefits. Our spread boasts a 30% sesame seed content, making it significantly more nutritious than other brands in the market.

Our factory also produces a hazelnut spread, which has a deliciously rich and creamy nutty flavor that extends itself to both children and adults. Our available flavours are in Halawa and Chocolate-Hazelnut.

OUR HALAWA & CHOCUZELLA SKU'S COME IN 350GM, 400GM, 750GM, 2KG, 10KG GLASS JARS AND PLASTIC BUCKET CONTAINERS

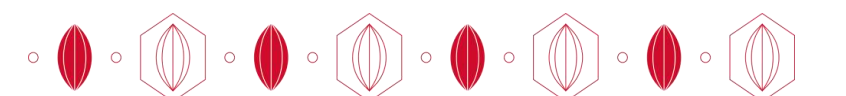

Olive Oil

A healthier spread for children and adults

We blend and customise oils to offer a variety of flavours reflecting their origins, the olives used, and production methods - our olives come from Syria and Spain. We efficiently deliver throughout the Gulf region and to over ten countries, including Saudi Arabia, Yemen, Kuwait, Bahrain, Oman, and Australia.

Our factory follows a meticulous process, ensuring hygiene and quality standards for the purity and safety of the final product. Our top-grade Extra Virgin Olive Oil undergoes laboratory testing to maintain its natural antioxidants and rich flavours. Our Olive oils are Extra Virgin Olive Oil, Virgin Olive Oil, Pomace, Blended Oils & Balsamic Vinegar

OUR OLIVE OILS SKU'S 250ML, 500ML, 750ML, 1LTR, 5LTR, 10L, 16L, 18L GLASS AND PET BOTTLES AND METAL TIN CONTAINERS

Snacks

A sweet and nutritious snack for children

Dipstix is a snack that comes in a pack with baked breadsticks and a sweet dip. It's suitable for all ages and presents itself as a healthier alternative compared to other products on the market. It comes in three delectable sweet flavours: Hazelnut-Choco, containing 13% Hazelnut; Sweet Sesame, featuring 30% sesame paste; and Hazelnut-Choco with Sweet Sesame, which includes 15% sesame paste and 6.5% Hazelnut.

Produced in our cutting-edge facility and crafted with precision. It's available in 30ml and 15ml pack sizes.
