SOFT SERVE MIX

For Home Use Soft Serve Machines

Gluten Free • Kosher Dairy • Shelf Stable For Up To 1 Year

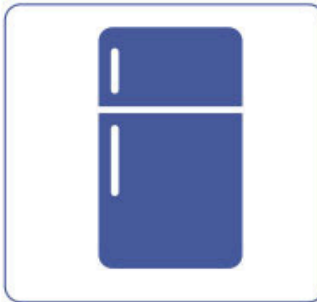

Easy to Store - No Refrigeration Required

Yield: 3.2 lbs. bag will yield approximately 41 servings of ½ cup.

Directions For Home Use Soft Serve Machines

Step 1:
In large bowl, mix 1 cup of Shivery Shake Soft Serve Mix and 2 ½ cups milk (whole or 2% milk) using wire whisk.

Step 2:
Cover and chill in the refrigerator for at least 30 minutes before using.

Step 3:
Pour in home soft serve machine and follow manufacturer's instructions.

Step 4:
Allow soft serve to mix and freeze until desired serving consistency is reached.

Step 5:
Begin checking consistency after 12-15 minutes by dispensing a very small amount.*

Step 5:
Serve and enjoy creamy and delicious Shivery Shake soft serve!

* Check often since Ice cream may get too thick and may be difficult to dispense the longer it freezes. If this happens, just remove the bowl, scoop out and enjoy the Ice cream.
